DISCUSSION: The District Director, Mexico City, denied the waiver application. The matter is now before the Administrative Appeals Office (AAO) on appeal. The appeal will be rejected as untimely filed. The AAO will return the matter to the District Director for consideration as a motion to reopen.

In order to properly file an appeal, the regulation at 8 C.F.R. § 103.3(a)(2)(i) provides that the affected party must file the complete appeal within 30 days of service of the unfavorable decision. If the decision was mailed, the appeal must be filed within 33 days. *See* 8 C.F.R. § 103.5a(b). The date of filing is not the date of mailing, but the date of actual receipt. *See* 8 C.F.R. § 103.2(a)(7)(i).

The record indicates that the district director issued the decision on August 24, 2007. It is noted that the district director properly gave notice to the applicant that he had 33 days to file the appeal. The applicant dated the appeal September 27, 2007, 34 days after the district director issued his decision. The Form I-290B appeal contains a date stamp from the district director that shows that it was first received on October 2, 2007, 39 days after the district director issued his decision. Accordingly, the appeal was untimely filed.

Neither the Act nor the pertinent regulations grant the AAO authority to extend the 33-day time limit for filing an appeal. As the appeal was untimely filed, the appeal must be rejected.

The regulation at 8 C.F.R. § 103.3(a)(2)(v)(B)(2) states that, if an untimely appeal meets the requirements of a motion to reopen or a motion to reconsider, the appeal must be treated as a motion and a decision must be made on the merits of the case. A motion to reopen must state the new facts to be proved in the reopened proceeding and be supported by affidavits or other documentary evidence. 8 C.F.R. § 103.5(a)(2). A motion to reconsider must state the reasons for reconsideration and be supported by any pertinent precedent decisions to establish that the decision was based on an incorrect application of law or Service policy. A motion to reconsider a decision on an application or petition must, when filed, also establish that the decision was incorrect based on the evidence of record at the time of the initial decision. 8 C.F.R. § 103.5(a)(3). A motion that does not meet applicable requirements shall be dismissed. 8 C.F.R. § 103.5(a)(4).

The official having jurisdiction over a motion is the official who made the last decision in the proceeding, in this case the Ciudad Juarez, Mexico Field Office. *See* 8 C.F.R. § 103.5(a)(1)(ii).

Here, the applicant submitted sufficient new evidence to meet the requirements for a motion to reopen, including an updated letter from his employer, documentation regarding his son's medical care and evaluation, documentation regarding his wife's banking and financial obligations, and an updated statement from his wife.

Therefore, the district director must consider the untimely appeal as a motion to reopen and render a new decision accordingly.

ORDER: The appeal is rejected. The matter is returned to the district director for consideration as a motion to reopen.
