*Immigration and Nationality Act, 8 U.S.C. § 1182(a)(9)(B)*

ON BEHALF OF APPLICANT:

INSTRUCTIONS:

Enclosed please find the decision of the Administrative Appeals Office in your case. All of the documents related to this matter have been returned to the office that originally decided your case. Please be advised that any further inquiry that you might have concerning your case must be made to that office.

If you believe the law was inappropriately applied by us in reaching our decision, or you have additional information that you wish to have considered, you may file a motion to reconsider or a motion to reopen. The specific requirements for filing such a request can be found at 8 C.F.R. § 103.5. All motions must be submitted to the office that originally decided your case by filing a Form I-290B, Notice of Appeal or Motion, with a fee of \$630. Please be aware that 8 C.F.R. § 103.5(a)(1)(i) requires that any motion must be filed within 30 days of the decision that the motion seeks to reconsider or reopen.

Thank you,

Perry Rhew  
Chief, Administrative Appeals Office

**DISCUSSION:** The waiver application was denied by the Field Office Director, Manila, Philippines. The matter is now before the Administrative Appeals Office (AAO) on appeal. The appeal will be rejected. The AAO will return the matter to the field office director for treatment as a motion to reconsider and issuance of a new decision on the merits of the case.

In order to properly file an appeal, the regulation at 8 C.F.R. § 103.3(a)(2)(i) provides that the affected party must file the complete appeal within 30 days of after service of the unfavorable decision. If the decision was mailed, the appeal must be filed within 33 days. *See* 8 C.F.R. § 103.5a(b). The date of filing is not the date of mailing, but the date of actual receipt. *See* 8 C.F.R. § 103.2(a)(7)(i).

The record indicates that the field office director issued the decision on November 17, 2009. The record reflects that the applicant submitted the appeal on December 18, 2009 with an incorrect form of payment and it was rejected by the acting field office director on January 28, 2010. The AAO notes that the location specific instructions included with the decision detail the correct forms of payment. The appeal was subsequently filed with a correct form of payment on February 12, 2010, which is 87 days after the denial date. Accordingly, the appeal was untimely filed.

Neither the Act nor the pertinent regulations grant the field office director, acting field office director or the AAO authority to extend the 33-day time limit for filing an appeal. As the appeal was untimely filed, the appeal must be rejected. Nevertheless, the regulation at 8 C.F.R. § 103.3(a)(2)(v)(B)(2) states that, if an untimely appeal meets the requirements of a motion to reopen or a motion to reconsider, the appeal must be treated as a motion, and a decision must be made on the merits of the case.

A motion to reopen must state the new facts to be proved in the reopened proceeding and be supported by affidavits or other documentary evidence. 8 C.F.R. § 103.5(a)(2). A motion to reconsider must state the reasons for reconsideration and be supported by any pertinent precedent decisions to establish that the decision was based on an incorrect application of law or Service policy. A motion to reconsider a decision on an application or petition must, when filed, also establish that the decision was incorrect based on the evidence of record at the time of the initial decision. 8 C.F.R. § 103.5(a)(3). A motion that does not meet applicable requirements shall be dismissed. 8 C.F.R. § 103.5(a)(4).

The appeal includes, but is not limited to, counsel's brief; and previously submitted documents, including the applicant's spouse's statement, medical letter and medical records.

Here, the untimely appeal meets the requirements of a motion to reconsider. The official having jurisdiction over a motion is the official who made the last decision in the proceeding, in this case the field office director. *See* 8 C.F.R. § 103.5(a)(1)(ii). Therefore, the field office director must consider the untimely appeal as a motion to reconsider and render a new decision accordingly.

**ORDER:** The appeal is rejected. The matter is returned to the field office director for treatment as a motion to reconsider and issuance of a new decision on the merits of the case.
