ON BEHALF OF APPLICANT:

INSTRUCTIONS:

Enclosed please find the decision of the Administrative Appeals Office in your case. All of the documents related to this matter have been returned to the office that originally decided your case. Please be advised that any further inquiry that you might have concerning your case must be made to that office.

If you believe the law was inappropriately applied by us in reaching our decision, or you have additional information that you wish to have considered, you may file a motion to reconsider or a motion to reopen. The specific requirements for filing such a request can be found at 8 C.F.R. § 103.5. All motions must be submitted to the office that originally decided your case by filing a Form I-290B, Notice of Appeal or Motion, with a fee of \$630. Please be aware that 8 C.F.R. § 103.5(a)(1)(i) requires that any motion must be filed within 30 days of the decision that the motion seeks to reconsider or reopen.

Thank you,

Perry Rhew  
Chief, Administrative Appeals Office

**DISCUSSION:** The District Director, Bangkok, Thailand, denied the waiver application. The matter is now before the Administrative Appeals Office (AAO) on appeal. The appeal will be rejected as untimely filed. The AAO will return the matter to the district director for consideration as a motion to reopen.

In order to properly file an appeal, the regulation at 8 C.F.R. § 103.3(a)(2)(i) provides that the affected party must file the complete appeal within 30 days of after service of the unfavorable decision. If the decision was mailed, the appeal must be filed within 33 days. *See* 8 C.F.R. § 103.5a(b). The date of filing is not the date of mailing, but the date of actual receipt. *See* 8 C.F.R. § 103.2(a)(7)(i).

The record indicates that the district director issued the decision on January 28, 2009. It is noted that the district director properly gave notice to the applicant that he had 33 days to file the appeal. The district director informed the applicant that “[t]he fee noted in the instructions to [Form I-290B] must be attached to the appeal.” The district director included a copy of the instructions in which the directions for the proper form of payment were amended to show that only a money order would be accepted. The applicant submitted the appeal, dated February 24, 2009, to the district director with a personal check. On March 2, 2009, the district director issued correspondence to the applicant informing him that he submitted an unacceptable form of payment. On March 30, 2009, counsel for the applicant confirmed that he received the district director’s correspondence on March 2, 2009, and submitted an acceptable form of payment. Accordingly, the applicant did not properly file the appeal with the appropriate fee until or about March 30, 2009, 61 days after the district director’s decision, and the appeal was untimely filed.

Neither the Act nor the pertinent regulations grant the AAO authority to extend the 33-day time limit for filing an appeal. As the appeal was untimely filed, the appeal must be rejected. Nevertheless, the regulation at 8 C.F.R. § 103.3(a)(2)(v)(B)(2) states that, if an untimely appeal meets the requirements of a motion to reopen or a motion to reconsider, the appeal must be treated as a motion, and a decision must be made on the merits of the case.

A motion to reopen must state the new facts to be proved in the reopened proceeding and be supported by affidavits or other documentary evidence. 8 C.F.R. § 103.5(a)(2). A motion to reconsider must state the reasons for reconsideration and be supported by any pertinent precedent decisions to establish that the decision was based on an incorrect application of law or Service policy. A motion to reconsider a decision on an application or petition must, when filed, also establish that the decision was incorrect based on the evidence of record at the time of the initial decision. 8 C.F.R. § 103.5(a)(3). A motion that does not meet applicable requirements shall be dismissed. 8 C.F.R. § 103.5(a)(4).

Here, the untimely appeal meets the requirements of a motion to reopen, as the applicant has presented new evidence including medical documentation for his wife, some of which is dated after the decision of the district director that reflects that it was previously unavailable. The official having jurisdiction over a motion is the official who made the last decision in the proceeding, in this

case the district director. *See* 8 C.F.R. § 103.5(a)(1)(ii). Therefore, the district director must consider the untimely appeal as a motion to reopen and render a new decision accordingly.

**ORDER:** The appeal is rejected. The matter is returned to the district director for consideration as a motion to reopen.
