ON BEHALF OF APPLICANT:

INSTRUCTIONS:

This is the decision of the Administrative Appeals Office in your case. All documents have been returned to the office that originally decided your case. Any further inquiry must be made to that office.

Robert P. Wiemann, Chief
Administrative Appeals Office

DISCUSSION: The application for temporary resident status as a special agricultural worker was denied by the Director, Western Service Center, and is now before the Administrative Appeals Office (AAO) on appeal. The appeal will be rejected. The AAO will return the matter for further action by the director.

The director denied the application because the applicant had been convicted of a felony in the United States and was found inadmissible under section 212(a)(2)(A)(i)(II) of the Immigration and Nationality Act. The director also denied the application because the applicant failed to establish the performance of at least 90 man-days of qualifying agricultural employment during the twelve-month eligibility period. This decision was based on adverse information regarding the applicant's claim of employment for [REDACTED]

Whenever an application for special agricultural worker status is denied or the status of a lawful temporary resident is terminated, the alien shall be given written notice setting forth the specific reasons for the denial on Form I-692, Notice of Denial. Form I-692 shall also contain advice to the applicant that he or she may appeal the decision and that such appeal must be taken within 30 days following service of the notification of decision. 8 C.F.R. § 103.3(a)(3)(i). An appeal received after the thirty (30) day period has tolled will not be accepted for processing. 8 C.F.R. § 103.3(a)(3)(iv). Form I-694, Notice of Appeal, shall be used to file the appeal and must be accompanied by the appropriate fee. 8 C.F.R. § 103.3(a)(3)(ii). Whenever a person has the right or is required to do some act within a prescribed period after the service of a notice upon him and the notice is served by mail, three days shall be added to the prescribed period. Service by mail is complete upon mailing. 8 C.F.R. § 103.5a(b).

The director issued the Notice of Denial on August 23, 1991. The appeal was not received until April 1, 1993. The appeal was untimely filed and, therefore, must be rejected.

It is noted that in response to the Notice of Intent to Deny, the applicant provided a new address. The director, however, did not mail the Notice of Denial to the applicant's new address of record. The untimely filing of the appeal appears to be due to the director's error. Pursuant to 8 C.F.R. § 210.2(g), the director may *sua sponte* reopen any adverse decision. Additionally, the director may certify any such decision to the AAO. See 8 C.F.R. § 210.2(h).

ORDER: The appeal is rejected as untimely filed.
