Perry Rhew
Chief, Administrative Appeals Office

DISCUSSION: The application to adjust from temporary to permanent resident status was rejected by the Director, Lee's Summit, Missouri, and is now before the Administrative Appeals Office (AAO) on appeal. The appeal will be dismissed.

The director rejected the application to adjust from temporary to permanent resident status because the applicant's temporary resident status had been terminated.

On appeal, the applicant states, generally, that the director failed to follow regulations and provisions of the class action settlement agreements pertaining to LIFE Act applications. The applicant does not provide any additional evidence.

As stated in 8 C.F.R. § 103.3(a)(3)(iv), any appeal which is filed that fails to state the reason for appeal, or is patently frivolous, will be summarily dismissed.

A review of the decision reveals the director accurately set forth a legitimate basis for the decision. It is noted that the record reflects that the applicant's temporary resident status had been terminated on July 8, 2008. On appeal, the applicant has not presented additional evidence. Nor has he addressed the grounds stated in the director's decision.

ORDER: The appeal is dismissed. This decision constitutes a final notice of ineligibility.
