FILE: [REDACTED]
MSC 02 190 63079

Office: HOUSTON

Date: OCT 18 2007

IN RE: Applicant: [REDACTED]

APPLICATION: Application for Status as a Permanent Resident pursuant to Section 1104 of the Legal Immigration Family Equity (LIFE) Act of 2000, Pub. L. 106-553, 114 Stat. 2762 (2000), amended by Life Act Amendments, Pub. L. 106-554, 114 Stat. 2763 (2000).

ON BEHALF OF APPLICANT:

[REDACTED]

INSTRUCTIONS:

This is the decision of the Administrative Appeals Office in your case. The file has been returned to the National Benefits Center. If your appeal was sustained, or if the matter was remanded for further action, you will be contacted. If your appeal was dismissed, you no longer have a case pending before this office, and you are not entitled to file a motion to reopen or reconsider your case.

Robert P. Wiemann, Chief
Administrative Appeals Office

DISCUSSION: The application for permanent resident status under the Legal Immigration Family Equity (LIFE) Act was denied by the District Director, Houston, Texas, and is now before the Administrative Appeals Office (AAO) on appeal. The appeal will be rejected.

The district director denied the application because the applicant failed to demonstrate knowledge of English and of the government and history of the United States.

On appeal, the applicant asserts that she has done her best to comply with the law and resubmitted evidence for review.

An affected party filing from within the United States has 30 days from the date of an adverse decision to file an appeal. An appeal received after the 30-day period has tolled will not be accepted. The 30-day period for submitting an appeal begins 3 days after the Notice of Decision is mailed. 8 C.F.R. § 245a.20(b)(1)

The record reflects that the director sent the decision of September 13, 2005, to the applicant at the address of record. Citizenship and Immigration Services (CIS) received the appeal 141 days later on February 1, 2006. Therefore, the appeal was untimely filed.

ORDER: The appeal is rejected as untimely filed.
