Non-Precedent Decision of the  
Administrative Appeals Office

MATTER OF S-G-B-

DATE: SEPT. 27, 2016

APPEAL OF VERMONT SERVICE CENTER DECISION

APPLICATION: FORM I-821, APPLICATION FOR TEMPORARY PROTECTED STATUS

The Applicant, a native and citizen of Honduras, seeks review of a decision withdrawing the Applicant's Temporary Protected Status (TPS). *See* Immigration and Nationality Act (the Act) section 244, 8 U.S.C. § 1254a. Temporary Protected Status provides lawful status and protection from removal for foreign nationals, of specifically designated countries, who register during designated periods, satisfy country-specific continuous residence and physical presence requirements, are admissible to the United States, are not firmly resettled in another country, and are not subject to certain criminal- and security-related bars.

The Director, Vermont Service Center, denied the application for re-registration and withdrew TPS. The Director concluded that the Applicant was convicted of two or more misdemeanors committed in the United States. The matter is now before us on appeal. Upon *de novo* review, we will summarily dismiss the appeal.

On the Form I-290B, Notice of Appeal or Motion, filed in February 2016, the Applicant indicated that he would file a brief and/or additional evidence within 30 days. As of this date, our office has not received any additional documents, nor were any statements made on the Form I-290B regarding the denial of the Applicant's TPS application.

The regulations at 8 C.F.R. § 103.3(a)(1) states in pertinent part:

- (v) *Summary dismissal.* An officer to whom an appeal is taken shall summarily dismiss any appeal when the party concerned fails to identify specifically any erroneous conclusion of law or statement of fact for the appeal.

The Applicant's appeal does not identify any erroneous conclusion of law or statement of fact in the Director's decision. The appeal is therefore summarily dismissed.

**ORDER:** The appeal is summarily dismissed pursuant to 8 C.F.R. § 103.3(a)(1)(v).
