Over 1,300 Catholic Educators Call on Trump Administration to Save DACA and Protect Dreamers

Dear Gen. Kelly,

As educators at Catholic institutions, we write to convey profound concern for our vulnerable immigrant students. In your new position as Chief of Staff, you are now one of the most prominent Catholics in the Administration. Your direct line to President Trump and recent experience as Secretary of Homeland Security provides an opportunity for you to be an influential champion for the children and youth who are the next generation of American leaders. We ask that you protect the dignity of our nation's immigrant youth by advocating for the Deferred Action for Childhood Arrivals (DACA) program until Congress passes the Dream Act.

We stand with our students who are DACA beneficiaries. Their perseverance, hard work and hopefulness is an example to us as teachers. We witness the obstacles they overcome each day as they pursue their dream of a better life for themselves and their families. In facing adversity and uncertainty with grace and hope, they embody the best of our schools, our country and the Catholic tradition.

It is a moral and policy failure when our government targets children and young adults who simply aspire to live the American dream. Breaking up families and communities undermines the best values of our nation.

Bishop Joe S. Vasquez, Chair of the Migration Committee at the U.S. Conference of Catholic Bishops and Bishop of Austin, Texas, said recently in a statement:

"These young people entered the U.S. as children and know America as their only home. The dignity of every human being, particularly that of our children and youth, must be protected."

We join Bishop Vasquez in urging you to uphold the DACA program. On several occasions, you have expressed that you would not make changes to DACA. We strongly encourage you to maintain DACA as an essential program for the well-being of young people and our communities.

Please know we are praying that you use your power prudently and that we remain committed to constructive dialogue.

Dr. Patricia McGuire
President
Trinity Washington University
125 Michigan Avenue NE
Washington, DC 20017

Dear Dr. McGuire:

Thank you for your August 29, 2017 letter. Acting Secretary Duke asked that I respond on her behalf.

On September 4, 2017, Attorney General Jeff Sessions released a letter outlining the Department of Justice's position that the June 15, 2012 memorandum entitled "Exercising Prosecutorial Discretion with Respect to Individuals Who Came to the United States as Children," which established the policy known as Deferred Action for Childhood Arrivals (DACA), is indefensible in court and is inconsistent with the faithful execution of our duly enacted immigration laws.¹

On September 5, 2017, Acting Secretary Duke issued a memorandum rescinding the June 2012 memorandum establishing DACA.² Recognizing the complexities associated with winding down the policy, the Department will provide a limited window in which it will consider certain requests for DACA and associated applications meeting specific parameters delineated below. Accordingly, U.S. Citizenship and Immigration Services (USCIS) will:

- Consider—on an individual, case-by-case basis—properly filed pending DACA initial requests and associated applications for Employment Authorization Documents (EADs) that have been received by USCIS as of September 5, 2017.
- Reject all DACA initial requests and associated applications for EADs received after September 5, 2017.
- Consider—on an individual, case-by-case basis—properly filed pending DACA renewal requests and associated applications for EADs from DACA recipients that have been received as of September 5, 2017, and from DACA recipients whose DACA will expire between September 5, 2017 and March 5, 2018, inclusive, that have been received as of October 5, 2017.
- Reject all DACA renewal requests and associated applications for EADs filed outside of the parameters specified above.

² <https://www.dhs.gov/news/2017/09/05/memorandum-rescission-daca>

- Not terminate the grants of previously issued DACA or revoke associated EADs solely based on the directives in Acting Secretary Duke's memorandum for the remaining duration of their validity periods.
- Not approve any new Form I-131 applications for advance parole under standards associated with the DACA policy, although it will generally honor the stated validity period for previously approved applications for advance parole. Notwithstanding the continued validity of advance parole approvals previously granted, U.S. Customs and Border Protection will—of course—retain the authority it has always had and exercised in determining the admissibility of any person presenting at the border and the eligibility of such persons for parole. Further, USCIS will—of course—retain the authority to revoke or terminate an advance parole document at any time.
- Administratively close all pending Form I-131 applications for advance parole filed under standards associated with the DACA policy, and will refund all associated fees.
- Continue to exercise its discretionary authority to terminate or deny deferred action under DACA at any time when immigration officials determine termination or denial of deferred action is appropriate.

As the Acting Secretary announced on October 3, 2017, USCIS will consider deadline extensions on a case-by-case basis for DACA requests received from residents of Puerto Rico and the U.S. Virgin Islands, due to the lack of communications and infrastructure for a prolonged period of time following Hurricane Maria.

Thank you again for your letter and interest in this important issue. Should you wish to discuss this matter further, please do not hesitate to contact me.

Sincerely,

L. Francis Cissna
Director
