1.0 INTRODUCTION

Welcome to the ‘E-Verify User Manual for Employers.’ This manual provides guidance on E-Verify processes and outlines the rules and responsibilities for employers enrolled in E-Verify. All users must follow the guidelines set forth in the ‘E-Verify Memorandum of Understanding for Employers (MOU)’ and the rules and responsibilities outlined in this manual.

For purposes of this manual, the term ‘employer’ means any person, company, or other entity that is required to complete Form I-9, Employment Eligibility Verification (Form I-9) including any individual with an E-Verify user account.

This section provides a background and overview and an introduction to basic website navigation, participation, user roles, rules and responsibilities, and the privacy and security guidelines of E-Verify.

1.1 BACKGROUND AND OVERVIEW

In 1996, Congress passed the Illegal Immigration Reform and Immigrant Responsibility Act (IIRIRA), which required the Social Security Administration (SSA) and U.S. Citizenship and Immigration Services (USCIS), formerly the Immigration and Naturalization Service, to conduct an employment verification pilot program. Under the U.S. Department of Homeland Security (DHS), USCIS operates the E-Verify program, previously referred to as the Basic Pilot program. E-Verify is an internet-based system that implements the requirements of IIRIRA by allowing any U.S. employer to electronically verify the employment eligibility of its newly hired employees.

E-Verify is a voluntary program for most employers, but mandatory for some, such as employers with federal contracts or subcontracts that contain the Federal Acquisition Regulation (FAR) E-Verify clause.

NOTE: E-Verify cannot provide you with guidance on state or local laws that require your participation in E-Verify. For help, you should contact the appropriate state officials, or you may also receive assistance through a local Chamber of Commerce.

Apart from any state or local law that requires participation in E-Verify, employers are fully responsible for complying with sections 274A (which addresses the requirements of the Form I-9 process) and 274B (which addresses unfair immigration-related employment practices) of the Immigration and Nationality Act. Employers who fail to comply with either section, may be subject to penalties.

E-Verify works by electronically comparing the information from an employee’s Form I-9 with records available to SSA and/or DHS to verify the identity and employment eligibility of each newly hired employee and/or employee assigned to a covered federal contract.

At this time, employers can verify the employment eligibility of only one person at a time within E-Verify. All new, temporary, seasonal, and rehired employees must be entered into E-Verify individually.

E-Verify is free and the best means available to confirm the employment eligibility of new hires. E-Verify is available in all 50 states, the District of Columbia, Puerto Rico, Guam and the U.S. Virgin Islands.
NOTE: E-Verify Self Check, referred to as Self Check, is a free, fast, secure and voluntary online service that allows individuals to perform employment eligibility checks on themselves. Employers may not ask current or prospective employees to use Self Check to prove employment eligibility. The service is designed to provide visibility into government records, and if necessary, guidance on how to correct those records. Self Check is separate from the E-Verify user interface. For more information and specific rules visit www.uscis.gov/E-Verifyselfcheck.

Self Check does not satisfy or supersede the requirements of federal contractors subject to the FAR E-Verify clause, or any other employers, to use E-Verify.

For more information on E-Verify procedures, rules and responsibilities for federal contractors with the FAR E-Verify clause, refer to the ‘E-Verify Supplemental Guide for Federal Contractors.’

1.2 BASIC WEBSITE NAVIGATION

All E-Verify users need to be familiar with the website navigation links. The figure below provides a screen shot of the employer user Web page. The navigation links within each area vary depending upon the type of user.

Area 1 displays the E-Verify logo and the telephone number for Customer Support: 888-464-4218. Area 1 also includes a quick shortcut to begin the verification process. By clicking the green ‘Verify Employee’ button, you will begin the verification process.

Area 2 contains ‘E-Verify News’ which includes important updates on E-Verify, information affecting employment verification, best practices and current events.
Area 3 contains E-Verify navigation options which are identified in the 'Area 3 Navigation Overview.' Selecting a navigation menu link is the first step in accessing a task or function in E-Verify. Choosing an option displays the first active page where a user enters information. Each user’s menu option is based on his or her assigned user role. For more information on user roles, see Section 1.4.

1.3 E-VERIFY PARTICIPATION: ENROLLMENT VS. REGISTRATION

It is important to understand the difference between enrollment and registration, which is outlined in the ‘Enrollment vs. Registration Overview.’ For additional information on enrollment, visit www.dhs.gov/E-Verify.

Employers who wish to check their enrollment status or access method should contact:

E-Verify Customer Support Monday through Friday 8 a.m. – 5 p.m. local time
Telephone: 888-464-4218 Email: E-Verify@dhs.gov

Employers who have enrolled and need information about registering additional users or about their functions, should see Section 6.0.

To participate in E-Verify, employers must enroll online via any Internet-capable computer using a Web browser of Internet Explorer (6.0 and above), Firefox (3.0 and above), Chrome (7.0 and above) and Safari (4.0 and above).
Employers must read and accept the electronic ‘E-Verify Memorandum of Understanding for Employers (MOU)’ which details the responsibilities of the SSA, the DHS and the employer. The MOU is signed electronically by the employer during enrollment. However, all E-Verify users must agree to and follow the guidelines and user responsibilities outlined in the MOU and this manual. It is the employer’s responsibility to ensure that users are prepared and capable of using E-Verify properly. Misuse of E-Verify may lead to legal liability for both employers and users.

To enroll in E-Verify, employers visit the enrollment website. This website guides employers through the enrollment process. Additional information regarding enrollment is found at www.dhs.gov/E-Verify.

Participating employers use E-Verify through an access method that is determined during the enrollment process. An access method is a type of E-Verify account that offers different features for specific types of organizations. The four access methods include: employer, E-Verify employer agent, corporate administrator and Web services.

The access methods are explained in the ‘Access Method Overview.’ For more information, visit the Getting Started section at www.dhs.gov/E-Verify.

### ACCESS METHOD OVERVIEW

<table>
<thead>
<tr>
<th>ACCESS METHOD</th>
<th>EXPLANATION</th>
</tr>
</thead>
<tbody>
<tr>
<td><strong>Employer Access</strong></td>
<td>Employer plans to use E-Verify to verify its employees. Most E-Verify participants, regardless of their business size or structure, are enrolled under the employer access method. This access method allows an employer to create cases in E-Verify for its newly hired employees and/or employees assigned to a covered federal contract.</td>
</tr>
<tr>
<td><strong>E-Verify Employer Agent Access</strong></td>
<td>Employer agent plans to use E-Verify on behalf of its clients to verify their clients’ employees. The E-Verify employer agent access method allows an individual or company to act on behalf of other employers to create cases in E-Verify for other employers’ newly hired employees and/or employees assigned to a covered federal contract.</td>
</tr>
<tr>
<td><strong>Corporate Administrator Access</strong></td>
<td>Employer has a central office that needs to manage E-Verify use for all of its locations that access E-Verify. Corporate administrator access is used only to manage multiple employer accounts and does not allow corporate administrator users to create and manage E-Verify cases.</td>
</tr>
<tr>
<td><strong>Web Services Access for Employers</strong></td>
<td>Employer plans to develop its own software to access E-Verify. The Web services access method requires an employer to develop software that interfaces with E-Verify to verify the employment eligibility of newly hired employees and/or employees assigned to a covered federal contract. The employer’s software will extract data from its existing system or an electronic Form I-9 and transmit the information to E-Verify. If a company chooses this option, it is sent the Web services Interface Control Document. The Interface Control Document contains the information used to develop and test the software interface. Both employers and E-Verify employer agents are eligible to use this access method.</td>

1.4 OVERVIEW OF USER ROLES

Enrolled employers can provide their users with access to E-Verify by assigning them a user role. Permissions and functions in E-Verify granted to the user depend upon the user role. There are two types of users: general users and program administrators. Review the permissions of each user role in the ‘User Role Overview’ below.

General users and program administrators must successfully complete the online E-Verify tutorial before they can create or manage cases. For more information on the specific functions of each user role, see Section 6.1.

1.5 USER RULES AND RESPONSIBILITIES

All E-Verify users are bound by the guidelines in the MOU and the rules and responsibilities outlined in this manual.

It is the employer’s responsibility to ensure that all users understand program rules. Review these rules and responsibilities periodically with your users to ensure proper use of E-Verify and protection of employee workplace rights.
For information on E-Verify rules and responsibilities for federal contractors with the FAR E-Verify clause, refer to the ‘E-Verify Supplemental Guide for Federal Contractors.’

All E-Verify users must follow the guidelines specified in the ‘Rules and Responsibilities Overview.’

## RULES AND RESPONSIBILITIES OVERVIEW

**Employers who participate in E-Verify MUST:**

- Follow E-Verify procedures for each newly hired employee while enrolled and participating in E-Verify.
- Notify each job applicant of E-Verify participation.
- Clearly display the ‘Notice of E-Verify Participation’ and the ‘Right to Work’ posters in English and Spanish and may also display the posters in other languages provided by DHS.
- Complete Form I-9 for each newly hired employee before creating a case in E-Verify.
- Obtain a Social Security number (SSN) from each newly hired employee on Form I-9.
- Ensure that Form I-9 ‘List B’ identity documents have a photo (Section 2.1).
- Create a case for each newly hired employee no later than the third business day after he or she starts work for pay.
- Provide each employee with notice of and the opportunity to contest a Tentative Nonconfirmation (TNC).
- Ensure that all personally identifiable information is safeguarded.

**Employers participating in E-Verify MUST NOT:**

- Use E-Verify to pre-screen an applicant for employment.
- Create an E-Verify case for an employee who was hired before the employer signed the E-Verify MOU.
- Take adverse action against an employee based on a case result unless E-Verify issues a Final Nonconfirmation.
- Terminate an employee during the E-Verify verification process, because he or she receives a TNC.
- Specify or request which Form I-9 documentation a newly hired employee must use.
- Use E-Verify to discriminate against ANY job applicant or new hire on the basis of his or her national origin, citizenship or immigration status.
- Selectively verify the employment eligibility of a newly hired employee.
- Share any user ID and/or password.
Upon enrollment, employers are required to clearly display the ‘Notice of E-Verify Participation’ and ‘Right to Work’ posters in English and Spanish; both are displayed below. Employers may also display the posters in other languages provided by DHS. Display the posters in a prominent place that is clearly visible to prospective employees and all employees that will have their employment eligibility verified with E-Verify. After logging in to E-Verify, the posters are found under ‘View Essential Resources,’ see Section 1.2. In addition, E-Verify recommends providing a copy of these posters with job application materials, either online or in hard copy.

1.6 PRIVACY AND SECURITY STATEMENT

The use of E-Verify requires the collection of personally identifiable information. Employers must protect the privacy of employees who submit information to be processed through E-Verify. It is your responsibility to ensure that all personal information collected is safeguarded and used only for the purposes outlined in the MOU between E-Verify and the employer/user.

Failure to properly protect employee information can result in identity theft or fraud and can cause considerable inconvenience, harm or embarrassment to the employees or employer affected.

At a minimum, follow the steps in the ‘Privacy Guidelines Overview’ to protect personal information and comply with the appropriate regulations.
PRIVACY GUIDELINES OVERVIEW

- Allow ONLY authorized users to use E-Verify.
  Ensure that only appropriate users handle information and create cases.

- SECURE access to E-Verify.
  Protect passwords used to access E-Verify and ensure that unauthorized persons do not gain access to E-Verify.

- PROTECT and STORE individuals’ information properly.
  Ensure that employee information is stored in a safe and secure location and that only authorized users have access to this information.

- Discuss E-Verify results in PRIVATE.
  Ensure that all case results including Tentative Nonconfirmation (TNC) and Final Nonconfirmation results are discussed in private with the employee.

REMINDER

- Ensure that all personally identifiable information is safeguarded.
2.0 INITIAL VERIFICATION

The E-Verify verification process begins with a completed Form I-9. E-Verify makes employment eligibility determinations by comparing the employee’s Form I-9 information entered in E-Verify by the employer, with the information in records available to SSA and/or DHS.

When E-Verify checks the employee’s information with records available to SSA and/or DHS, a case result is provided. Case results can be initial, interim or final. Proper use of E-Verify requires users to close all cases when they receive final case results.

This section outlines the steps required to create a case in E-Verify and the initial case results provided by E-Verify.

2.1 FORM I-9 AND E-VERIFY

All employers are required to ensure timely and proper completion of Form I-9 when the employee starts work for pay and to keep records of the forms on file. The Form I-9 requirements do not change for employers who are enrolled in E-Verify. With the goal of ensuring a legal workforce, employers enrolled in E-Verify have chosen to take the additional step of confirming that their employees’ Form I-9 information matches government records.

To view or download Form I-9, go to the following website:

http://www.uscis.gov/I-9

For more information on Form I-9 procedures, refer to the ‘View Essential Resources’ link on the left navigation menu; you will find the ‘Handbook for Employers: Guidance for Completing Form I-9 (M-274).’

To view or download the ‘Handbook for Employers: Guidance for Completing Form I-9 (M-274),’ go to the following website:

http://www.uscis.gov/files/form/m-274.pdf

For additional assistance on Form I-9, contact E-Verify Customer Support Monday through Friday 8 a.m. – 5 p.m. at 888-464-4218.

Newly hired employees must complete Section 1 of Form I-9 in its entirety on the first day of work for pay. They may complete Section 1 before this date, but only after the employee accepts an offer of employment. Under general Form I-9 practice, an employee can voluntarily provide his or her Social Security number (SSN) on Form I-9. However, because SSNs are required for employers to create E-Verify cases, all newly hired employees, including seasonal, temporary and rehires, of E-Verify employers MUST provide their SSN.

If a newly hired employee has applied for, but has not yet received an SSN (i.e., the employee is a newly arrived immigrant), attach an explanation to the employee’s Form I-9 and set it aside. Allow the employee to continue to work and create a case in E-Verify using the employee’s SSN as soon as it is available. If the case was not created by the third business day after the employee started work for pay, indicate the reason for this delay in E-Verify. You may choose a reason from the drop-down list or state a specific reason in the field provided.

Employers must complete Section 2 of Form I-9 in its entirety within three days of the employee’s date of hire (the hire date means the first day of work for pay).
complete Section 2, examine documents presented by the employee that establish his or her identity and employment authorization. Do not specify which documents from the “List of Acceptable Documents” on Form I-9 an employee may choose to present. Employers may reject a document if it does not reasonably appear to be genuine or to relate to the person presenting it.

Some documentation establishes both identity and employment eligibility (List A). Other documentation establishes identity only (List B) or employment eligibility only (List C). Employers may accept one document from List A, or a combination of one document from List B and one document from List C.

Any ‘List B’ document presented to employers participating in E-Verify MUST contain a photo. However, if an employee objects to photo document requirements for religious reasons, call E-Verify at 888-464-4218. If the employee presents a U.S. Passport, Passport Card, a Permanent Resident Card (Form I-551) or an Employment Authorization Document (Form I-766) you must obtain a copy of it and retain it with Form I-9. For more information on Form I-9 retention guidelines, refer to the ‘Handbook for Employers: Guidance for Completing Form I-9 (M-274).’

RECEIPTS

If the employee presents an acceptable receipt for Form I-9 showing that he or she applied to replace a document that was lost, stolen or damaged, the employer must wait to create a case in E-Verify. When the employee provides the actual document for which the receipt was presented, the employer must update the employee’s Form I-9 and then create a case in E-Verify for the employee.

Employers must create a case in E-Verify by the third business day after the employee starts work for pay if the employee presents the following receipts:

- The arrival portion of Form I-94/I-94A with a temporary I-551 stamp and a photograph of the individual.
- The departure portion of Form I-94/I-94A with a refugee admission stamp.

For more information on acceptable receipts, see the ‘Handbook for Employers: Guidance for Completing Form I-9 (M-274)’ or visit www.uscis.gov/i-9central.

REHIRES

While you must use E-Verify for all employees you rehire, E-Verify should never be used to reverify the employment authorization of an existing employee. E-Verify has special rules if you rehire an employee who previously provided a U.S. Passport, U.S. Passport Card, Permanent Resident Card, Alien Registration Receipt Card (Form I-551), Driver’s License or State ID card for Form I-9 and the document is now expired. In these situations, there are two options:

- If you never created a case in E-Verify for the employee, you must have the employee complete a new Form I-9 and create a case in E-Verify.
- If you previously created a case in E-Verify for the rehired employee and received an employment authorized result, complete Section 3 of the employee’s previous Form I-9 and do not create a new case for the employee in E-Verify. Alternatively, you may choose to complete a new Form I-9 and create a case for the employee in E-Verify. If you previously created an E-Verify case, but did not receive an employment authorized result, you must have the employee complete a new Form I-9 and create a case in E-Verify.
REMINDER

- All newly hired employees must provide a SSN
- Do NOT specify or request which document a newly hired employee must use for Form I-9
- A ‘List B’ document MUST contain a photo (see exception above)
- If the employee presents a U.S. Passport, Passport Card, a Permanent Resident Card (Form I-551) or an Employment Authorization Document (Form I-766) you must obtain a copy of it and retain it with Form I-9

2.2 CREATE A CASE

The next step is to create a case in E-Verify using the information that the employee completed on his or her Form I-9. E-Verify cases must be created no later than the third business day after the employee starts work for pay. Employers who learn that they inadvertently failed to create a case by the third business day after the employee starts work for pay should bring themselves into compliance immediately by creating a case for the employee.

Do not create a case for an employee hired before the effective date of your MOU.

For more information on E-Verify procedures for federal contractors with the FAR E-Verify clause, refer to the ‘E-Verify Supplemental Guide for Federal Contractors.’

In some cases E-Verify prompts you to check the information provided or recreate the case before it can provide a case result. This section reviews each of these scenarios in detail.

HIRE DATE

The hire date is the first day of employment in exchange for wages or other remuneration, previously referred to as the date on which the employee began employment. For the hire date in E-Verify, enter the ‘employee’s first day of employment’ date from the ‘Certification’ in Section 2 of the employee’s Form I-9, circled below.

If you rehired an employee within three years of the date that his or her previous Form I-9 was completed and have completed Section 3 of Form I-9, enter the 'Date of Rehire' from Section 3 of the employee's Form I-9 as the hire date in E-Verify. If the Form I-9 is completed after an offer and acceptance of employment, but before the actual start of work for pay, it may happen that the employee’s hire date
recorded on Form I-9 will change after you have created the case in E-Verify. If this happens, no additional action is required in E-Verify as you cannot change the hire date once you’ve created the case. You must, however, make a correction to the Section 2 ‘Certification’ date on the employee’s Form I-9 if the employee’s hire date changes. Consult the ‘Handbook for Employers: Guidance for Completing Form I-9 (M-274)’ for more information.

Employees hired on or before November 6, 1986 are not subject to Form I-9. Therefore, employers may not create E-Verify cases for these employees based on this employment. Individuals hired for employment in the Commonwealth of the Northern Mariana Islands (CNMI) on or before November 27, 2009 are also not subject to Form I-9 and their employers may not create cases in E-Verify for them based on this employment.

To create a case, you will take the information from the employee’s completed Form I-9 and enter it into E-Verify. To enter this information into E-Verify, you must first log in with your assigned user ID and password and then follow the steps outlined in ‘How to Create a Case – Process Overview.’

**HOW TO CREATE A CASE – PROCESS OVERVIEW**

1. From the E-Verify Welcome page find ‘My Cases’ and click:
   - New Case

2. From Section 1 of the employee’s Form I-9, choose the correct option.
   - A citizen of the United States
   - A noncitizen national of the United States
   - A lawful permanent resident
   - An alien authorized to work

   Click ‘Continue’

   Indicate the documents provided to you for Section 2 of the employee’s Form I-9. Make the appropriate selection and click ‘Continue.’
If you select ‘List B and C documents,’ E-Verify prompts you to select the documents presented by the employee from Section 2 of Form I-9 for both List B and List C.

Click ‘Continue’

**IMPORTANT:** If you select driver’s license or ID card, E-Verify will prompt you to select the document name and state. Make the appropriate selection and click ‘Continue.’

A red asterisk (*) indicates a required field. Using information from Sections 1 and 2 of Form I-9, enter all required information into each field.

When the employee provides an email address on Form I-9, you must enter it into E-Verify. E-Verify may send the employee email notifications with information about his or her E-Verify case.

**IMPORTANT:** If you select ‘An alien authorized to work’ you may also be required to indicate that you are entering either the Alien number or I-94 number from the employee’s Form I-9.

Click ‘Continue’

**Employer Case ID** is an optional field for users who wish to assign an internal tracking code to a case.

If an E-Verify case is not created by the third business day after the employee begins work for pay, the user must indicate the reason for the delay. Select from one of the following reasons:

- Awaiting Social Security number
- Technical Problems
- Audit Revealed that New Hire Was Not Run
- Other

If you select “Other,” enter a specific reason in the field provided.

Click ‘Continue’
Each screen provides additional information simply by clicking any help text symbol.

**REMININDER**

- Complete Form I-9 before creating a case in E-Verify.
- Enter the employee’s email address if provided on Form I-9.
- Create cases for all newly hired employees no later than the third business day after the employee starts work for pay.
**CHECK INFORMATION**

If the information entered does not immediately match SSA and/or DHS records, the 'Check Information' screen appears so that you can confirm that the information was entered correctly. The user may either confirm that the information matches Form I-9 or change the information in certain fields if the information was entered incorrectly. Follow the steps in the 'Check Information – Process Overview.'

**CHECK INFORMATION - PROCESS OVERVIEW**

- E-Verify prompts you to review and confirm that the information entered into E-Verify is correct.

- Confirm that the information matches Form I-9 or make changes, if needed, and click 'Continue.'

- Some fields cannot be updated. If the information entered is not correct and the information cannot be updated, you must close the case by clicking 'Close Case.' Select the case closure statement: 'The case is invalid because data entered is incorrect.'

**NOTE:** If you do not click 'Continue' or 'Close Case,' the case will receive a status of 'Case Incomplete.' To search for a case, see Section 4.3 'Case Alerts.'

**ERROR: UNEXPIRED DOCUMENT REQUIRED**

Any document presented by an employee for Form I-9 must be unexpired on its face (see exception below). If the document entered into E-Verify was expired when the employee was hired, E-Verify will reject the document information and not create a case. The employee will need to present acceptable unexpired document(s) and you will need to update Form I-9 before you can create a case in E-Verify.

Just because the employee presented an expired document does not mean that the employee is not authorized to work. E-Verify will confirm the employment eligibility of this employee once you obtain an unexpired document and create the case.
EXCEPTIONS: In limited situations, you may accept for Form I-9 verification a document that appears expired on its face. When a Temporary Protected Status (TPS) designation for a particular country is extended, DHS sometimes automatically extends the expiration date of Employment Authorization Documents (EAD, Form I-766) issued to affected TPS beneficiaries via notice published in the Federal Register. In this situation, the published notice will state the date to which the EAD has been extended. When such a document is presented for Form I-9, the expiration date is the extended date that appears in the Federal Register Notice. DHS also sometimes extends two-year Permanent Resident Cards (Form I-551) via Notice of Action Form (Form I-797). The Permanent Resident Card with Form I-797 noting the extension can be presented as a List C document for Form I-9. In all other instances, the document presented with Form I-9 must be unexpired at the time the employee is hired.

ERROR: UNEXPIRED DOCUMENT REQUIRED – PROCESS OVERVIEW

- E-Verify prompts an ‘Error: Unexpired Document Required’ case result.

- Obtain an unexpired document from the employee for Form I-9.
- Click ‘New Case’ and enter the employee’s unexpired Form I-9 document information.

IMPORTANT: An expired document presented for Form I-9 does NOT always mean that the employee is not authorized to work in the United States. Obtain an unexpired document and then re-enter the case in E-Verify. E-Verify will then return a case result for this employee.

DUPLICATE CASE ALERT

A duplicate case alert appears for a case that contains the same Social Security number of a previous case entered by you or another user of the same employer account. A duplicate case alert can occur for several reasons. Receiving a duplicate case alert does not necessarily mean that you should close the new case. There may be instances when you need to create a new case for the same employee, such as in the case of a rehire or if the previous case contains incorrect information. You should review the situation and decide whether to continue with the case. Follow the steps in the ‘Duplicate Case Alert – Process Overview.’
DUPLICATE CASE ALERT – PROCESS OVERVIEW

- E-Verify prompts you to review the case information and determine whether you will continue with the case. You may need to contact the user that created the previous case.

- Click ‘View Case Details’ to review the case information. If the information is incorrect, update the appropriate information, then click ‘Continue.’

- If you determine that you need to continue with the case, click ‘Continue.’ You will need to select a reason from the options presented in E-Verify.

- If you think the case is truly a duplicate and you no longer need to continue the verification process, you can close the case by clicking ‘Close Case.’

E-VERIFY PHOTO MATCHING

Photo matching occurs while a case is being created in E-Verify. It prompts users to compare an employee’s List A photo document presented for Form I-9 with a photo displayed on the E-Verify screen. This helps ensure that the document provided matches records available to DHS.
The photo matching step happens automatically when you create a case for an employee who has presented a U.S. Passport, Passport Card, Permanent Resident Card (Form I-551) or an Employment Authorization Document (Form I-766) for Form I-9 completion. When the employee presents one of these documents, employers must copy the document and retain it with Form I-9. If the employee’s Form I-9 information matches records available to DHS, E-Verify displays the employee’s photo from the document presented.

Matching photos is easy—simply compare the photo displayed by E-Verify to the photo on the employee’s actual document or a copy of the employee’s document and determine if the photos are reasonably identical. The photos should be identical with only minor variations in shading and detail between the two photos based upon the age and wear of the employee’s document and the quality of your computer monitor.

A watermark has been added to the photo displayed in E-Verify to prevent unauthorized use. The photo on the document presented by the employee will not have a watermark. Absence of a watermark on the document photo does not mean that it is not authentic.

Do not compare the photo displayed by E-Verify to the actual employee. Direct comparison between the document and the individual should have occurred during Form I-9 completion, prior to using E-Verify. The 'Photo Matching - Process Overview' provides a summary.

### PHOTO MATCHING – PROCESS OVERVIEW

- E-Verify prompts you to compare a photo displayed in E-Verify with the employee’s Form I-9 photo document. You must obtain a copy of the employee’s document and retain it with Form I-9.
- Account for minor variations in shading and detail between the two photos and select Yes or No.
- Yes – the photo on the employee’s actual document or a copy matches the photo displayed by E-Verify. Clothing, hair style, facing direction and appearance on the card should be identical to the photo displayed by E-Verify.
- No – the photo on the employee’s actual document or a copy does not match the photo displayed in E-Verify.

**NOTE:** If ‘No Photo on this Document’ appears, select Yes.
Click 'Continue.'

**NOTE:** If you do not make a selection and click 'Continue,' the case will receive a status of 'Photo Matching Required.' To search for a case, see Section 4.3 'Case Alerts.'

**IMPORTANT:** Compare the photo displayed in E-Verify with the employee’s Form I-9 photo document, not to the actual employee.

After a selection is made, one of the following case results will appear:

- EMPLOYMENT AUTHORIZED, Section 2.4
- DHS TENTATIVE NONCONFIRMATION (TNC), Section 3.3

Each case result requires different actions or steps to continue or close the case. These actions are outlined in each case result section throughout this manual.

**REMININDER**

- Employees always have a choice of which acceptable documents to present for Form I-9; you may NOT require workers to present documents that activate photo matching.
- Keep copies of all U.S. Passports, Passport Cards, Permanent Resident Cards (Form I-551) and Employment Authorization Documents (Form I-766) presented by employees and retain them with Form I-9.
- The photo will display automatically in E-Verify during the verification process.
- Only compare the employee’s Form I-9 photo document to the photo displayed in E-Verify.

**2.3 INITIAL CASE RESULTS**

E-Verify checks information entered by the employer against records available to SSA and/or DHS. Once a case is created, a result is displayed. Initial case results are displayed in the 'Initial Case Results – Overview.' If you make a mistake after creating a case, you must close the case (see Section 4.2).

2.4 EMPLOYMENT AUTHORIZED

An initial case result of ‘Employment Authorized’ is the most common and simple case result in E-Verify. ‘Employment Authorized’ means that the information entered into E-Verify matched records available to SSA and/or DHS and that E-Verify confirmed the employment eligibility of the employee whose information was entered. It’s that easy! However, a case that is ‘Employment Authorized’ is still considered incomplete until it is closed.

Follow the steps outlined in the ‘Employment Authorized - Process Overview.’

EMPLOYMENT AUTHORIZED – PROCESS OVERVIEW

- Receive case result ‘Employment Authorized.’
- Check the information in E-Verify against the employee’s Form I-9.
- Close Case.

A case result of ‘Employment Authorized’ requires the important step of closing the case. You must close each case; this does not happen automatically. Closing the
case removes it from the active cases or the ‘Open Cases to be Closed’ list. To close each case, follow the steps outlined in Section 4.2 ‘Close Case.’

**EMPLOYMENT AUTHORIZED SUMMARY**

**EMPLOYER ACTION**
- Enter Form I-9 information into E-Verify
- Receive ‘Employment Authorized’ case result
- Ensure that the information displayed in E-Verify matches the employee’s Form I-9
- Close case

**EMPLOYEE ACTION**

**REQUEST NAME REVIEW**
In some cases E-Verify issues a case result of ‘Employment Authorized,’ but the name returned in E-Verify does not match exactly the name on Form I-9. This happens when the information matches, but there are name variations in DHS records. In this case, request a review of the employee’s name so E-Verify can issue a final case result. To request a name review follow the steps outlined in the ‘Request Name Review - Process Overview.’

**IMPORTANT:** Do not use this functionality in a discriminatory manner (e.g., based on an individual’s race, national origin or ethnicity).

**REQUEST NAME REVIEW – PROCESS OVERVIEW**
- Compare the name displayed in the yellow box with the name you entered which is shown in the white box.
- If the names match, click ‘Close Case.’
- If the names do not match, request DHS review of the case by clicking ‘Request Name Review.’
Enter the specific reason for the name review request into the ‘Comments’ field.

Click ‘Continue.’

A case sent to DHS for name review will be updated with one of the following results:

- **EMPLOYMENT AUTHORIZED**, Section 2.4
- **DHS TENTATIVE NONCONFIRMATION (TNC)**, Section 3.3

Each case result requires different actions or steps to continue or close the case. These actions are outlined in the case result sections throughout this manual.

**REQUEST NAME REVIEW SUMMARY**

**EMPLOYER ACTION**

- Determine if a name review is required (if not, close case)
- Click ‘Continue’
- Input reason for name review request in ‘Comments’ field
- Click ‘Continue’
- Follow steps outlined in ‘DHS Verification in Process’
TENTATIVE NONCONFIRMATION (TNC)

A TNC case result means that the information entered into E-Verify from Form I-9 differs from records available to SSA and/or DHS. E-Verify identifies the agency associated with the mismatch when the TNC result is provided.

An SSA TNC means that the information entered into E-Verify does not match SSA records. The section below outlines the specific steps required when this case result occurs. Included are descriptions of additional interim case results from SSA and actions the employee will need to take to resolve the TNC.

A DHS TNC means that the information entered into E-Verify does not match records available to DHS. The section below outlines the specific steps required when this case result occurs. Included are descriptions of additional interim case results from DHS and actions the employee will need to take to resolve the TNC.

Section 3.0 ‘Interim Case Results’ provides details and actions required of the employer when you receive a TNC.

2.5 DHS VERIFICATION IN PROCESS

A case result of ‘DHS Verification in Process’ means that the information did not match records available to DHS. The case is automatically referred to DHS for further verification. No action is required by you at this time. DHS will respond to most of these cases within 24 hours, although some responses may take up to 3 Federal Government working days. Check E-Verify daily for a response. Follow the steps outlined in the ‘DHS Verification in Process – Process Overview.’

IMPORTANT: Federal law prohibits employers from taking any adverse action against an employee because his or her case receives a ‘DHS Verification in Process’ case result.

DHS VERIFICATION IN PROCESS – PROCESS OVERVIEW

- E-Verify displays ‘DHS Verification in Process’ case result.
- Check E-Verify for changes to case results.
- DHS may take 3 Federal Government working days to respond.
- Follow the next step based on the case result provided.

After the 3 Federal Government working days a ‘DHS Verification in Process’ case result will provide one the following case results:
Each case result requires different actions or steps to continue or close the case. These actions are outlined in the case result sections throughout this manual.

**IMPORTANT**: Federal law prohibits employers from terminating employment of an employee because of an interim case result until the TNC becomes a Final Nonconfirmation.

3.1 SSA TENTATIVE NONCONFIRMATION (TNC)

An ‘SSA Tentative Nonconfirmation (TNC)’ results when the information submitted in E-Verify does not initially match SSA records. An SSA TNC does not necessarily mean that the employee is not authorized to work in the United States; however additional action is required.

An SSA TNC case result may occur because the employee’s:
- Citizenship or immigration status was not updated with SSA
- Name change was not reported to SSA
- Name, Social Security number or date of birth is incorrect in SSA records
- SSA record contains another type of mismatch
- Information was not entered correctly by the employer

The employee must be notified of this result as soon as possible by following the steps in the ‘Notify Employee of SSA TNC – Process Overview.’

**NOTIFY EMPLOYEE OF SSA TNC**

You must promptly notify the employee of the ‘SSA Tentative Nonconfirmation (TNC)’ case result. All case results should be discussed with the employee in a private setting.

When notified of the SSA TNC, the employee chooses to contest or not contest the case result. In either case, the employee acknowledges his or her decision on the SSA TNC Further Action Notice. When an employee chooses to contest an SSA TNC,
the employee is required to visit an SSA field office within 8 Federal Government working days to resolve the TNC.

IMPORTANT: An employer may not terminate, suspend, delay training, withhold or lower pay, or take any other adverse action against an employee because the employee received a TNC until the TNC becomes a Final Nonconfirmation.

If the employee chooses not to contest the SSA TNC, the employer may terminate employment with no civil or criminal liability as noted in Article A, Section II, paragraph 8 – Responsibilities of the Employer in the MOU.

If the employee chooses not to contest the SSA TNC, the case automatically becomes a Final Nonconfirmation. The employer may close the case in E-Verify and the employer can terminate employment without penalty. For more information, see Section 4.2 ‘Close Case.’

To notify an employee of the SSA TNC case result, follow the steps outlined in the ‘Notify Employee of SSA TNC - Process Overview.’
NOTIFY EMPLOYEE OF SSA TNC – PROCESS OVERVIEW

- Receive SSA TNC case result.

- Click ‘Continue.’

- Select either English or Spanish and print the SSA TNC Further Action Notice.

- Confirm that all information listed on the top of the SSA TNC Further Action Notice is correct. If information is incorrect, close the case and create a new case for the employee. When you close the original case, select the case closure statement, ‘The case is invalid because the data entered is incorrect.’

- Review the SSA TNC Further Action Notice with the employee in private and follow the instructions found on Page 1 of the SSA TNC Further Action Notice.

If the employee cannot read, you must read the SSA TNC Further Action Notice to the employee. If the employee does not speak English as his or her primary language and has a
limited ability to read or understand the English language, provide the employee with a
translated version of the Further Action Notice in the appropriate language, which is available
in 'View Essential Resources.'

IMPORTANT: You may provide the SSA TNC Further Action Notice to the employee in
person, by fax, email, overnight or next-day delivery service, as long as you take proper
precautions to ensure the employee’s information is protected.

- Indicate that the employee has been notified by selecting the box 'Confirm Employee

You must confirm whether the employee decided to contest or not contest the SSA
TNC by following the steps in the 'Confirm Employee Decision – Process Overview.'

An employee who chooses to contest the SSA TNC must visit an SSA field office within 8 Federal Government working days to begin resolving the TNC. Provide the Referral Date Confirmation from E-Verify to the employee. The Referral Date Confirmation provides the date by which the employee must visit SSA. The employee must bring the SSA TNC Further Action Notice when he or she visits an SSA field office. Federal Government working days are Monday through Friday except for federal holidays.

You may not terminate, suspend, delay training, withhold pay, lower pay or take any other adverse action against an employee because of the employee’s decision to contest an SSA TNC until the TNC becomes a Final Nonconfirmation.

Follow the steps outlined in the ‘Refer Employee to SSA – Process Overview’ to complete the TNC process.

REFER EMPLOYEE TO SSA – PROCESS OVERVIEW

- If the employee chooses to contest the SSA TNC, click ‘Refer Case.’

NOTE: The employee’s obligation to visit an SSA field office within 8 Federal Government working days begins when you click ‘Refer Case.’

- If the employee chooses not to contest, click ‘Close Case’ and follow steps in Section 4.2 ‘Close Case.’

- Select the Referral Date Confirmation in either English or Spanish and click ‘Print Confirmation.’
Provide the Referral Date Confirmation to the employee.

If the employee cannot read, you must read the Referral Date Confirmation to the employee. If the employee does not speak English as his or her primary language and has a limited ability to read or understand the English language, provide the employee with a translated version of this confirmation in the appropriate language, which is available in View Essential Resources.

Attach a copy of the Referral Date Confirmation to the employee’s Form I-9.

Check E-Verify for case updates and follow steps based on next case result.

IMPORTANT: You should ONLY close the case when E-Verify provides a final case result or if you no longer need to continue to verify the employment eligibility of the employee.

SSA has 10 Federal Government working days to update the case result in E-Verify. You should check E-Verify periodically for an update in case result. A case referred to SSA is updated with one of the following results:

- EMPLOYMENT AUTHORIZED, Section 2.4
- SSA FINAL NONCONFIRMATION, Section 4.1
- SSA CASE IN CONTINUANCE, Section 3.4
- DHS VERIFICATION IN PROCESS, Section 2.5
- REVIEW AND UPDATE EMPLOYEE DATA, Section 3.2

3.2 REVIEW AND UPDATE EMPLOYEE DATA

In some instances, a case result of ‘Review and Update Employee Data’ occurs, and you will receive a prompt to review and update the employee's information. This means that SSA found a discrepancy in the information it received in the E-Verify referral.

A ‘Review and Update Employee Data’ case result occurs for reasons including typographical errors and/or incorrect information provided on Form I-9. This case result does not mean that the employee is not authorized to work.

This requires you to review Form I-9 with the employee, correct the information and update the case by following the steps provided in the ‘Review and Update Employee Data - Process Overview.’

**REVIEW AND UPDATE EMPLOYEE DATA – PROCESS OVERVIEW**

- Review the accuracy of the information provided on Form I-9 with the employee. If the employee made a mistake on Form I-9, correct and update.
- If necessary, modify the employee's information in the fields provided.

### 3.3 DHS TENTATIVE NONCONFIRMATION (TNC)

A ‘DHS Tentative Nonconfirmation (TNC)’ results when the information submitted in E-Verify does not initially match records available to DHS. A DHS TNC does not necessarily mean that the employee is not authorized to work in the United States; however, additional action is required to resolve the TNC.

A DHS TNC case result occurs because the employee’s:

- Name, Alien number, I-94 number and/or foreign passport number are incorrect in DHS records
- U.S. Passport, Passport Card, driver’s license, foreign passport or state ID card information could not be verified
- Information was not updated in the employee’s DHS records
- Citizenship or immigration status changed
- Record contains another type of error
- Information was not entered correctly by the employer

The employee must be notified of this result as soon as possible by following the steps in ‘Notify Employee of DHS TNC – Process Overview.’

### NOTIFY EMPLOYEE OF DHS TNC

You must promptly notify the employee of the ‘DHS Tentative Nonconfirmation (TNC)’ case result. All case results should be discussed with the employee in a private setting.

When notified of the DHS TNC, the employee chooses to contest or not contest the case result. In either case, the employee acknowledges his or her decision on the DHS TNC Further Action Notice. When an employee chooses to contest a DHS TNC, the employee is responsible for contacting DHS within 8 Federal Government working days.

**IMPORTANT:** An employer may not terminate, suspend, delay training, withhold or lower pay, or take any other adverse action against an employee because the employee received a TNC until the TNC becomes a Final Nonconfirmation.
If the employee chooses not to contest the DHS TNC, the employer may terminate employment with no civil or criminal liability as noted in Article A, Section II paragraph 8 – Responsibilities of the Employer in the MOU. If the employee chooses not to contest the DHS TNC, the case automatically becomes a Final Nonconfirmation and the employer may close the case in E-Verify and the employer can terminate employment without penalty. For more information, see Section 4.2 ‘Close Case.’

To notify an employee of the DHS TNC case result, follow the steps outlined in the ‘Notify Employee of DHS TNC - Process Overview.’

REFER EMPLOYEE TO DHS

An employee who chooses to contest the DHS TNC must contact DHS within 8 Federal Government working days to begin resolving the TNC. You must provide the Referral Date Confirmation from E-Verify to the employee. The Referral Date Confirmation provides the date by which the employee must call DHS. The employee must have the DHS TNC Further Action Notice when he or she calls DHS. Federal Government working days are Monday through Friday except for federal holidays.

If the employer fails to match photos during E-Verify photo matching, a photo mismatch TNC may occur. A photo mismatch TNC requires an additional step but follows the same guidelines of any TNC. If the employee chooses to contest the photo mismatch TNC the employee must be referred to DHS, and you must send a copy of the Form I-9 photo document to E-Verify.
You may not terminate, suspend, delay training, withhold pay, lower pay or take any other adverse action against an employee because of the employee’s decision to contest a TNC until the TNC becomes a Final Nonconfirmation.

Follow the steps outlined in the ‘Refer Employee to DHS – Process Overview’ to complete the TNC process.

**REFER EMPLOYEE TO DHS – PROCESS OVERVIEW**

- If the employee chooses to contest the DHS TNC, click ‘Refer Case.’
  
  **NOTE:** The employee’s obligation to call DHS within 8 Federal Government working days begins when you click ‘Refer Case.’

- If the employee chooses not to contest, click ‘Close Case’ and follow steps in Section 4.2 ‘Close Case.’

In some cases, E-Verify prompts you to submit a copy of the employee’s photo document to DHS. Follow the steps below to complete this step when prompted.

- First, obtain a copy of the employee’s Form I-9 photo document.
- Then determine how you will submit a copy of this document to DHS. You may submit an electronic copy or send a paper copy by selecting one of the following:
  - Attach and Submit Copy of Employee’s Photo Document
  - Mail Copy of Employee’s Photo Document

If you chose to mail a paper copy, send it through express mail to the address below:

DHS will not pay for any shipping costs. Participants are free to choose an express shipping carrier at their own expense. Inform all hiring sites of the DHS shipping information.

- Select the Referral Date Confirmation in either English or Spanish and Click ‘Print Confirmation.’
- Provide the Referral Date Confirmation to the employee.

If the employee cannot read, you must read the Referral Date Confirmation to the employee. If the employee does not speak English as his or her primary language and has a limited ability to read or understand the English language, provide the employee with a translated version of this confirmation in the appropriate language, which is available in View Essential Resources.

- Attach a copy of the Referral Date Confirmation to the employee’s Form I-9.
Check E-Verify for case updates and follow steps based on next case result.

**IMPORTANT:** You should ONLY close the case when E-Verify provides a final case result or if you no longer need to continue to verify the employment eligibility of the employee.

After 10 Federal Government working days, E-Verify will provide one of the following case results:

- **EMPLOYMENT AUTHORIZED,** Section 2.4
- **DHS FINAL NONCONFIRMATION,** Section 4.1
- **DHS CASE IN CONTINUANCE,** Section 3.4
- **DHS NO SHOW,** Section 4.1

Each case result requires different actions or steps to continue or close the case. These actions are outlined in the case result sections throughout this manual.

- Refer the employee to DHS if he or she decides to contest or close the case
- If the employee decides to contest:
  - Attach and submit or express mail a copy of employee’s photo document to DHS if the TNC is due to photo mismatch
  - Print Referral Date Confirmation, provide it to the employee and attach a copy to the employee's Form I-9
  - Check E-Verify for case result updates and follow steps based on case result provided

**EMPLOYEE ACTION**
- Contact DHS within 8 Federal Government working days
- DHS instructs employee on the next steps
### 3.4 SSA CASE IN CONTINUANCE AND DHS CASE IN CONTINUANCE

An ‘SSA or DHS Case in Continuance’ indicates that the employee has visited an SSA field office and/or contacted DHS, but more time is needed to determine a final case result. The reason SSA or DHS needs more time varies with each situation. You should check E-Verify periodically for an update in case result. The employer may not terminate or take adverse action against an employee while SSA or DHS is reviewing the employee’s case.

Once SSA or DHS has updated E-Verify, one of the following case results shows:

**For DHS CASE IN CONTINUANCE:**
- EMPLOYMENT AUTHORIZED, Section 2.4
- DHS FINAL NONCONFIRMATION, Section 4.1

**For SSA CASE IN CONTINUANCE:**
- EMPLOYMENT AUTHORIZED, Section 2.4
- SSA FINAL NONCONFIRMATION, Section 4.1
- REVIEW AND UPDATE EMPLOYEE DATA, Section 3.2
- DHS VERIFICATION IN PROCESS, Section 2.5

Each case result requires different actions or steps to continue or close the case. These actions are outlined in each case result section throughout this manual.

**NOTE:** If a case has had a ‘SSA or DHS Case in Continuance’ result for more than 60 Federal Government working days, contact E-Verify Customer Support at 888-464-4218 or E-Verify@dhs.gov.

4.0 FINAL CASE RESOLUTION

To complete the E-Verify process, every case must receive a final case result and then be closed. Closing a case is easy; E-Verify guides you through the process after you receive a final case result.

4.1 FINAL CASE RESULTS

Final case results are displayed in the ‘Final Case Results – Overview.’

SSA FINAL NONCONFIRMATION AND DHS FINAL NONCONFIRMATION

An ‘SSA or DHS Final Nonconfirmation’ case result is received when E-Verify cannot verify an employee’s employment eligibility after an employee has visited a SSA field office or contacted DHS during the TNC referral process. Once an ‘SSA or DHS Final Nonconfirmation’ has been provided, you must close the case.

The employer may terminate employment based on a case result of ‘SSA or DHS Final Nonconfirmation’ with no civil or criminal liability as noted in Article A, Section II, paragraph 8 – Responsibilities of the Employer in MOU.
**SSA/DHS FINAL NONCONFIRMATION SUMMARY**

**EMPLOYER ACTION**

- Close case

**EMPLOYEE ACTION**

**DHS NO SHOW**

A ‘DHS No Show’ indicates that the employee did not contact DHS within 8 Federal Government working days. A ‘DHS No Show’ case result is considered a Final Nonconfirmation. A Final Nonconfirmation means that the case must be closed in E-Verify.

Employer may terminate employment based on a case result of ‘DHS No Show’ with no civil or criminal liability as noted in Article A, Section II, paragraph 8 – Responsibilities of the Employer in the MOU.

**DHS NO SHOW SUMMARY**

**ERROR: CLOSE CASE AND RESUBMIT**

If the expiration date you entered for the employee’s U.S. Passport, Passport Card or driver’s license is incorrect, E-Verify prompts an ‘Error: Close Case and Resubmit’ case result and you will not be able to continue the case.

Because document information for a case that has already been submitted cannot be changed, you must close this case and create a new one with correct information. Select the closure statement option: ‘The case is invalid because the data entered is incorrect’ and close this case. Now you can create a new case for this employee using the correct document expiration date.

**IMPORTANT:** This does not mean that the employee is not authorized to work. E-Verify will confirm the employment eligibility of this employee once you create a new case and enter the correct document expiration date.

---

**ERROR: CLOSE CASE AND RESUBMIT SUMMARY**

**EMPLOYER ACTION**
- Receive ‘Error: Close Case and Resubmit’ case result
- Close case using closure statement option: ‘The case is invalid because the data entered is incorrect’
- Resubmit case using the correct document expiration date for the U.S. Passport, Passport Card or driver’s license

**EMPLOYEE ACTION**
- If necessary, provide employer with unexpired U.S. Passport, Passport Card or driver’s license
4.2 CLOSE CASE

To properly complete the E-Verify process, employers must close EVERY case created in E-Verify. There are 11 possible case closure statements. To assist you in making the correct choice and to reduce the number of options, E-Verify requires you to state whether the employee is still employed. To close a case, employers follow the steps outlined in the ‘Close Case – Process Overview.’

CLOSE CASE – PROCESS OVERVIEW

- Click ‘Close Case.’

- Next, indicate whether the employee is still employed with the company; select yes or no and click ‘Continue.’ Your response to the question: “Is (employee’s name) currently employed with this company?” will determine which case closure statement options will appear on the next screen.

- Next, select the most appropriate statement and click ‘Continue.’
Record the case verification number on the employee’s Form I-9, or print the case details and file it with the employee’s Form I-9.

This completes the E-Verify verification process.

Every case created in E-Verify MUST be closed. To close a case, select one of the case closure statements. E-Verify will present only those statements that are relevant to each case. In some scenarios, not all of the case closure statements are available.

**NOTE – CLOSE CASE**

When answering the question, “Is the employee currently employed with this company?” it is important to consider the following:

- If you have an employee who didn’t contest a Tentative Nonconfirmation (TNC), or who received a Final Nonconfirmation or ‘DHS No Show,’ the employer will decide if the employee will continue working. If:
  - Employee’s employment is continued, select ‘Yes.’
  - Employee’s employment is to be terminated, do so, select ‘No.’

- If you have an employee who has accepted a job offer, but hasn’t yet started work but received a TNC and decided not to contest, or who received a Final Nonconfirmation,
CASE CLOSURE STATEMENTS

- **The employee continues to work for the employer after receiving an Employment Authorized result.**
  
  E-Verify has verified that the employee is eligible to work in the United States and the employee continues to work for the employer.

- **The employee continues to work for the employer after receiving a Final Nonconfirmation result.**
  
  E-Verify cannot verify that this employee is authorized to work in the United States. The employee had contested the tentative nonconfirmation (TNC), but was unable to resolve it. The employer chooses to exercise its legal right to allow the employee to continue to work.

- **The employee continues to work for the employer after receiving a No Show result.**
  
  E-Verify cannot verify that this employee is authorized to work in the United States. The employee had contested the tentative nonconfirmation (TNC), but did not take action to resolve it. The employer chooses to exercise its legal right to allow the employee to continue to work.

- **The employee continues to work for the employer after choosing not to contest a Tentative Nonconfirmation.**
  
  E-Verify cannot verify that this employee is authorized to work in the United States. The employee chose not to contest the tentative nonconfirmation. The employer chooses to exercise its legal right to allow the employee to continue to work.

- **The employee was terminated by the employer for receiving a Final Nonconfirmation result.**
  
  E-Verify cannot verify that this employee is authorized to work in the United States. The employee had contested the tentative nonconfirmation, but was unable to resolve it. The employer terminated the employee because of the final nonconfirmation result.

- **The employee was terminated by the employer for receiving a No Show result.**
  
  E-Verify cannot verify that this employee is authorized to work in the United States. The employee had contested the tentative nonconfirmation (TNC), but did not take action to resolve it. The employer terminated the employee because of the 'no show' result.

- **The employee was terminated by the employer for choosing not to contest a Tentative Nonconfirmation.**
  
  E-Verify cannot verify that this employee is authorized to work in the United States. The employee chose not to contest the tentative nonconfirmation (TNC). The employer terminated the employee because the employee chose not to contest the TNC.
- **The employee voluntarily quit working for the employer.**
  The employee chose to stop working for the employer.

- **The employee was terminated by the employer for reasons other than E-Verify.**
  The employer terminated the employee for reasons unrelated to E-Verify.

- **The case is invalid because another case with the same data already exists.**
  An E-Verify case with the same data was already created for this employee. This is a duplicate case.

**NOTE:** If a case is closed as invalid, it does not void the case or change the case result. A case closed as invalid will still display the last case result even though it has been closed.

- **The case is invalid because the data entered is incorrect.**
  The data entered for this employee was not correct.

**NOTE:** If a case is closed as invalid, it does not void the case or change the case result. A case closed as invalid will still display the last case result even though it has been closed.

### 4.3 CASE ALERTS

E-Verify case alerts are found at the bottom of the user home page. The purpose of this feature is to bring your attention to cases that need your action. When you log in to E-Verify, case alerts inform you of one of the following:

- Open Cases to be Closed
- Cases with New Updates
- Work Authorization Documents Expiring

The E-Verify home page indicates the number of cases that require your attention by a number in a red circle on the alert. Each case alert can be accessed by clicking on the alert. Cases can also be accessed through ‘View Cases’ and ‘Search Cases’ from the left navigation menu in E-Verify. Review the ‘Case Alerts – Overview.’
CASE ALERTS – PROCESS OVERVIEW

- E-Verify user home page display with no case alerts.

- E-Verify user home page display with case alerts.
  - Click on the alert requiring your attention to access your case alert(s).

Case alerts can also be accessed:

- From ‘My Cases,’ select ‘Search Cases.’

- Determine your search criteria and click ‘Search.’
OPEN CASES TO BE CLOSED

Any case created in E-Verify and assigned a case verification number must be closed. The ‘Open Cases to be Closed’ case alert provides quick access to all cases that need to be closed. Features of this tab include:

- Sort cases by: status, last name, first name, case number or hire date
- A quick link to each case by clicking on the case number

CASES WITH NEW UPDATES

The ‘Cases with New Updates’ case alert is a quick link to all cases that have had a change in case result. All interim case results must receive a final case result and be closed. This case alert is an easy way to manage these cases.

WORK AUTHORIZATION DOCUMENTS EXPIRING

The ‘Work Authorization Docs Expiring’ case alert is a notification that an employee's Employment Authorization Document (Form I-766) or an Arrival-Departure Record (Form I-94) document is expiring. This alert is intended to remind you to reverify the employee by completing Section 3 of Form I-9. Do not use E-Verify to create a new case.
This is simply a reminder; no action is required or permitted in E-Verify. You may dismiss each alert by clicking ‘Dismiss Alert.’

This alert will only appear if the document the employee presented for the original E-Verify case was either an Employment Authorization Document (Form I-766) or an Arrival-Departure Record (Form I-94). Also, the alert only appears the first time the document expires—subsequent expirations will not activate this case alert.
### 5.0 CASE REPORTS

There are five types of case reports available in E-Verify for persons or entities who are enrolled as employers. These include: ‘Corporate Overview of Pilot Usage,’ ‘Duplicate Case Report,’ ‘Quick Audit Report,’ ‘User Audit Report,’ and ‘User Report.’ This section provides information on these reports and how to create them in E-Verify.

**NOTE:** All reports display only the last four digits of an employee’s Social Security number for added security and to protect employees’ privacy.

A description of each report is provided in the ‘Reports – Overview.’

#### REPORTS – OVERVIEW

6.0 ACCOUNT ADMINISTRATION

User account administration provides individual users specific functions and permissions to update their accounts, change their passwords and perform other functions explained in this section.

It is important to distinguish that the user account functions are different for each user role.

6.1 USER ROLES

Permissions and functions in E-Verify granted to the user differ for each user role. There are two user roles: program administrator and general user.

Every employer account must have at least one program administrator who provides support for the general user and manages the company profile. Employers can choose to have general users who will only be able to create and manage their own cases. General users and program administrators must successfully complete the online E-Verify tutorial before they can create or manage cases.

The ‘User Role Functions Overview’ provides an explanation of the functions of each user role.

6.2 USER ID AND PASSWORD CREATION

Program administrator can add users in E-Verify. All users are assigned a user ID and initial password. Upon being initially registered by the program administrator, users receive an email with a user ID and password. E-Verify will prompt users to change the initial password for security purposes. Do not share a password with other users. Each user must have his or her own user ID and password.

Passwords are case-sensitive and must be between 8-14 characters, different from the assigned user ID, changed every 90 days and have the following characteristics:

- At least one uppercase or lowercase letter
- At least one number and at least one special character - special characters include: ! @ $ % * ( ) < > ? ; { } + - ~
- Contain no more than two identical and consecutive characters in any position from the previous password
- Contain a non-numeric in the first and last positions
• Not identical to the user ID

Additionally, password policy recommends that passwords should not:

• Contain any dictionary word

• Contain any proper noun or the name of any person, pet, child or fictional character, nor any employee ID number, Social Security number, birth date, phone number or any information that could be readily guessed about the creator of the password

• Contain any simple pattern of letters or numbers, such as ‘qwerty’ or ‘xyz123’

• Contain any word, noun or name spelled backwards

An example of an acceptable password is found in the ‘Password Example.’

<table>
<thead>
<tr>
<th>PASSWORD EXAMPLE</th>
</tr>
</thead>
<tbody>
<tr>
<td>This is an acceptable password:</td>
</tr>
<tr>
<td>IL!keH2o</td>
</tr>
<tr>
<td>At least 8 characters in length</td>
</tr>
<tr>
<td>An uppercase letter</td>
</tr>
<tr>
<td>A lowercase letter</td>
</tr>
<tr>
<td>A special character</td>
</tr>
<tr>
<td>A number</td>
</tr>
</tbody>
</table>

E-Verify automatically prompts you to create a new password every 90 days. However, if you think your password has been compromised, change it immediately. After you create a new password, E-Verify will prompt you to confirm or update your email address and phone number.

If a user attempts to log in with an incorrect password 3 consecutive times the user is locked out of E-Verify. Password help contact information is listed in the information box.

If you are locked out of your user account, first try to reset your password using the ‘Forgot your password?’ link.

If you forget your user ID, you may retrieve it by using the ‘Forgot your User ID?’ link and providing your email address and phone number when prompted. However, if you have more than one user ID associated with your email address and phone number, you must contact E-Verify Customer Support at 888-464-4218 for assistance.
If you are unsuccessful at resetting your password with the automatic system, contact your program administrator. If your program administrator is not available contact E-Verify Customer Support at 888-464-4218.

ADD NEW HIRING SITE(S)

A hiring site is the location where your employees are hired and they complete Form I-9. Program administrators can modify the number of hiring sites that participate in E-Verify in each state. A participating hiring site means that your employer will
create an E-Verify case for every newly hired employee who is hired and completes their Form I-9 at that site.

The ‘Company Hiring Sites’ page shows the states where the employer has hiring sites and the number of hiring sites for each state. Program administrators have the option to add hiring sites for a new state, edit the number of hiring sites in a state where the employer currently has participating hiring sites, or delete a state from the hiring site list.

To add a new state where the employer will have participating hiring sites, follow the ‘Add New State Hiring Site - Process Overview.’

- **Click ‘Next’ to submit modifications and return to the ‘Company Information’ page.**
VIEW MEMORANDUM OF UNDERSTANDING (MOU)

Program administrators may view the MOU between E-Verify and the employer. To view the MOU, follow the steps outlined in the ‘View MOU - Process Overview.’

VIEW MOU – PROCESS OVERVIEW

- From ‘My Company,’ select ‘Edit Company Profile.’

- From the ‘Company Information’ page, click ‘View MOU’ at the bottom of the screen.

- The MOU that was electronically signed for that employer will appear in a new window. If the MOU does not load, ensure that your pop-up blocker is disabled.

IMPORTANT: Once the MOU is submitted during enrollment, the information that appears on the MOU cannot be changed. However, you can update the employer’s information in E-Verify to reflect any changes. If you need to provide proof of your employer’s enrollment in E-Verify, you may print a copy of your company’s information page as proof of the employer’s updated information.

REMINDER

- Be sure to update your E-Verify account information to reflect any changes.

7.4 CLOSE COMPANY ACCOUNT

Any E-Verify account may be closed voluntarily. To close an account, a program administrator, corporate administrator, the signatory of the MOU, or an authorized employer representative must submit a request no later than 30 days in advance of
the date the employer would like to close its account. Employers must request termination electronically through E-Verify (see ‘Close Company Account – Process Overview’) or by submitting a written termination notice to E-Verify@dhs.gov or fax to 202-443-0215.

Employers must continue to use E-Verify in accordance with the MOU during this 30 day period or until they receive an email confirming that the account is closed, whichever is sooner. All open E-Verify cases will need to be closed, even if the request to close the E-Verify account was made.

**IMPORTANT**: Once an account is closed, all access to the account and its associated records is lost. To preserve the records from an E-Verify account, see Section 5.3 to create and retain a user audit report. E-Verify case information and documentation must be retained for your employees for the same length of time as their Forms I-9.

To request termination of employer participation in E-Verify, perform the steps outlined in ‘Close Company Account – Process Overview.’

**CLOSE COMPANY ACCOUNT – PROCESS OVERVIEW**

- From 'My Company,' select 'Close Company Account.'
- Type the reason for closing the account in the ‘Termination Request Reason’ field.
- Click ‘Request Termination.’
- A message will appear informing you that E-Verify will be notified of your request to terminate participation in the program.

**REMINDER**

- If the employer has more than one E-Verify employer account and the entire employer is requesting termination, each employer account must be closed.
- If you submitted a termination request by mistake, contact E-Verify Customer Support at 888-464-4218 for assistance.

APPENDIX B: GLOSSARY

A

Acceptable Documents for Verifying Identity and Employment Eligibility
Documents designated for determining employment eligibility and identity under the Immigration and Nationality Act (INA) are listed on Form I-9 and in the ‘Handbook for Employers: Guidance for Completing Form I-9 (M-274)’ found at http://www.uscis.gov/files/form/m-274.pdf. Employees have the right to choose which document or combination of documents to present. Any ‘List B’ document presented to an employer participating in E-Verify must contain a photograph.

Admission Number or I-94 Number
An 11-digit number that is found on the Arrival-Departure Record (Form I-94 or Form I-94A).

Alien (Noncitizen)
An individual who is not a citizen or national of the United States.

Alien Authorized to Work
A noncitizen who is allowed to work because of his or her immigration status or a noncitizen who is granted work authorization by U.S. Citizenship and Immigration Services.

Alien Registration Number or Alien Number (A-number)
A unique seven-, eight- or nine-digit number assigned to a noncitizen at the time his or her A-file is created. The nine-digit U.S. Citizenship and Immigration Services number listed on the front of Permanent Resident Cards (Form I-551) issued after May 10, 2010, is the same as the Alien Registration Number. The A-number can also be found on the back of the Permanent Resident Card.

Anti-Discrimination Notice
The anti-discrimination notice is published by the Office of Special Counsel for Immigration-Related Unfair Employment Practices, Department of Justice (OSC), and provides information to employees concerning discrimination in the workplace. The E-Verify memorandum of understanding (MOU) requires participating employers to display the notice in a prominent place that is clearly visible to prospective employees in all languages supplied by the U.S. Department of Homeland Security (DHS). This notice is available in the 'Essential Resources' section of E-Verify. For questions about discrimination during the employment eligibility verification process, employers may contact OSC at 800-255-8155 or 800-237-2515 (TTY) or visit OSC’s website at http://www.justice.gov/crt/about/osc.

Arrival/Departure Record (Form I-94 or I-94A)
A document issued to some noncitizens admitted to the United States. Some of these forms are stamped to indicate work-authorized status. Form I-94 or I-94A contains an 11-digit admission number that may be used as part of the initial E-Verify case if the noncitizen employee does not have an Alien Registration Number.
C

Case in Continuance
This response is given if the Social Security Administration (SSA) or the U.S. Department of Homeland Security (DHS) needs more than 10 Federal Government working days to provide a final case result. The employee continues to work until a final case result is provided in E-Verify from SSA or DHS.

Case Incomplete
This response is given if the user abandons a case after the ‘Check Information’ screen or the photo matching screen appears. The user will need to continue the case or close the case.

Case Verification Number
A unique number assigned to each E-Verify case that is created when an employer submits an initial verification. Employers participating in E-Verify are required to record the case verification number on the employee’s Form I-9 or to print the screen containing the case verification number and attach it to the employee’s Form I-9.

Client
An individual or employer that hires an E-Verify employer agent to create E-Verify cases on its behalf.

Close Case
The step in the verification process when either a final result has been provided or the user no longer needs to continue the verification and the case is ready to be closed.

Company ID Number
The E-Verify company ID number consists of 4 to 6 numerical characters and is located on the first page of the memorandum of understanding (MOU), directly below the E-Verify logo. Program administrators may also obtain the company ID number from the Company Information page in E-Verify under ‘Edit Company Profile.’

Corporate Administrator
Corporate administrator access is used only for managing multiple employer accounts and does not allow corporate administrator users to create and manage E-Verify cases.

D

DHS No Show
A response received when the employee did not contact the U.S. Department of Homeland Security (DHS) to resolve his or her case and 10 Federal Government working days have passed since the date of referral. The ‘DHS No Show’ result is considered a Final Nonconfirmation.

DHS Verification in Process
A case result of ‘DHS Verification in Process’ means that the employee’s information did not match U.S. Department of Homeland Security (DHS) records. The case is automatically referred to DHS for further verification. DHS responds to most of these
cases within 24 hours, but has up to 3 Federal Government working days to respond. Employers should check E-Verify periodically for a response.

**Document Type**
Type of document(s) presented by a newly hired employee to verify identity and employment eligibility.

**E**

**Employment Authorized**
This is a case result received in E-Verify when the information entered for an employee matches records available to the Social Security Administration (SSA) and/or the U.S. Department of Homeland Security (DHS). This case result indicates that employment eligibility has been verified.

**Employment Authorization Document (Form I-766)**
A document issued to noncitizens who are authorized to work in the United States. The most recent version of the Employment Authorization Document (Form I-766) has been issued since January 1997.

**Form I-9, Employment Eligibility Verification**
The form employers and employees are required to complete when a new employee is hired to perform labor or services in return for wages or other remuneration. This requirement applies to all employees hired after November 6, 1986. For employers in the Commonwealth of the Northern Mariana Islands (CNMI), this requirement applies to all employees hired after Nov. 27, 2009. In the CNMI, employers had to complete Form I-9 CNMI for every employee hired for employment in the CNMI from November 28, 2009 to November 27, 2011 and use the standard Form I-9 for those hired on or after November 28, 2011.

**E-Verify Employer Agent**
An individual or entity that creates E-Verify cases on behalf of employers, formerly referred to as a designated agent.

**E-Verify**
E-Verify is an Internet-based program which electronically confirms the employment eligibility of newly hired employees and existing employees assigned to a covered federal contract after Form I-9 has been completed. This involves separate verification checks of records available to the Social Security Administration (SSA) and/or the U.S. Department of Homeland Security (DHS).

**E-Verify Participation Notice**
The E-Verify Participation Notice informs prospective employees that an employer is participating in E-Verify. The memorandum of understanding (MOU) requires participating employers to display the notice in a prominent place that is clearly visible to prospective employees and all employees who are to be verified with E-Verify.
F

**Final Nonconfirmation**
If an employee’s employment eligibility cannot be verified, the employer will receive a Final Nonconfirmation case result in E-Verify. An employer receiving an ‘SSA or DHS Final Nonconfirmation’ response may terminate the employee and will not be civilly or criminally liable under any law for the termination, as long as the action was taken in good faith reliance on the information provided through E-Verify as noted in Article A, Section II, paragraph 8 – Responsibilities of the Employer in the memorandum of understanding (MOU).

**Further Action Notice**
A notice generated from E-Verify that is to be given to an employee after his or her E-Verify case receives an SSA or DHS Tentative Nonconfirmation (TNC). If an employee decides to contest the TNC, he or she must contact or visit the appropriate agency within 8 Federal Government working days with this notice to initiate resolution of his or her E-Verify case.

G

**General Users**
This user type creates cases, views reports and can update his or her user profile.

H

**Handbook for Employers: Guidance for Completing Form I-9 (M-274)**
Provides detailed instructions on how to complete and retain Form I-9.

**Hire Date**
The hire date is the first day of employment in exchange for wages or other remuneration, previously referred to as the date on which the employee began employment. For the hire date in E-Verify, enter the 'employee’s first day of employment' date from the 'Certification' in Section 2 of the employee’s Form I-9. If you rehired an employee within three years of the date that his or her previous Form I-9 was completed and have completed Section 3 of Form I-9, enter the 'Date of Rehire' from Section 3 of the employee's Form I-9 as the hire date in E-Verify.

**Hiring Site**
A hiring site is the location where your employees are hired and they complete Form I-9. If cases are created in E-Verify at the same location, it is a verification location AND a hiring site.

I

**Illegal Immigration Reform and Immigrant Responsibility Act of 1996 (IIRIRA)**
Public Law 104-208 enacted on September 30, 1996 required the Immigration and Naturalization Service to conduct three types of employment authorization verification pilot programs. The 'basic pilot program' was one of the three programs
and is the only program still in existence. The ‘basic pilot program’ exists today as E-Verify.

**Immigration and Nationality Act of 1952 (INA)**
Public Law 82-414 enacted on June 27, 1952 which, along with other immigration laws, treaties and conventions of the United States, relates to the immigration, temporary admission, naturalization and removal of noncitizens.

**Immigration Reform and Control Act of 1986 (IRCA)**
Public Law 99-603 enacted on November 6, 1986 sought to eliminate employment opportunity as a key incentive for illegal migration to the United States. IRCA mandates that all U.S. employers verify the employment eligibility and identity of all new hires through completion of the Form I-9. It provides remedies to employees and sanctions against employers who knowingly hire unauthorized workers or discriminate against employees based on citizenship or immigration status or based on national origin.

**Initial Case Result**
The results displayed in E-Verify once an employee’s information has been submitted as part of a verification case. Initial case results include ‘Employment Authorized,’ ‘Tentative Nonconfirmation (TNC)’ and ‘DHS Verification in Process.’

**Interim Case Status**
Certain initial E-Verify results that require additional action before E-Verify can provide a final case result. Interim case results include ‘SSA or DHS Tentative Nonconfirmation,’ ‘Review and Update Employee Data,’ ‘DHS Verification in Process,’ ‘SSA or DHS Case in Continuance.’

**J**

**K**

**L**

**Lawful Permanent Resident**
A noncitizen or alien who has been lawfully granted the privilege of residing and working permanently in the United States.

**M**

**Memorandum of Understanding (MOU)**
A legal document describing a bilateral or multilateral agreement between/among parties. It constitutes a legally binding contract when properly executed (i.e., signed) by all the parties. Employers who participate in E-Verify must sign the E-Verify MOU between the employer, the U.S. Department of Homeland Security (DHS) and the Social Security Administration (SSA).
Noncitizen National of the United States
Persons born in American Samoa, certain former citizens of the former Trust Territory of the Pacific Islands who relinquished their U.S. citizenship acquired under section 301 of Public Law 94-241 (establishing the Commonwealth of the Northern Mariana Islands) by executing a declaration before an appropriate court that they intended to be noncitizen nationals rather than U.S. citizens, and certain children of noncitizen nationals born abroad. Generally, noncitizen nationals are American Samoans.

Office of Special Counsel (OSC)
Created by the Immigration Reform and Control Act of 1986 (IRCA), the Office of Special Counsel for Immigration Related Unfair Employment Practices (OSC) is part of the Civil Rights Division of the U.S. Department of Justice and enforces the anti-discrimination provision of the Immigration and Nationality Act, 8 USC 1324b, which prohibits discrimination in hiring and discharging based upon citizenship or immigration status and national origin and discrimination during the employment eligibility verification process, which includes Form I-9 and E-Verify.

Passport (Foreign)
Any travel document issued by a competent authority showing the bearer’s origin, identity and nationality, if any, which is valid for the entry of the bearer into a foreign country.

Passport (United States)
Document issued by the U.S. Department of State to U.S. citizens and noncitizen nationals.

Password
A unique identifier that allows registered E-Verify users access to E-Verify.

Permanent Resident or Lawful Permanent Resident
A noncitizen who has been lawfully granted the privilege of residing and working permanently in the United States.

Permanent Resident Card (Form I-551)
First issued by the former Immigration and Naturalization Service beginning in December 1997 and now issued by U.S. Citizenship and Immigration Services (USCIS), this card is the current version of the document given to permanent residents. The document is issued either 2 years or 10 years. In the current version of the Permanent Resident Card (Form I-551), the name of the document was changed from Resident Alien Card to Permanent Resident Card.

Photo Matching
During the verification process, employers match the photos on certain documents provided by employees when completing Form I-9 with the photo that appears in E-Verify. Photo matching is activated only when an employee provided a U.S.
Passport, Passport Card, Permanent Resident Card (Form I-551) or an Employment Authorization Document (Form I-766) as his or her Form I-9 document.

**Photo Match**
The photo on the employee’s document matches the photo supplied by E-Verify. The photo transmitted by E-Verify should be the same (identical) photo that appears on an employee’s U.S. Department of Homeland Security (DHS) issued document. Employers should be able to determine whether the photos match.

**Photo Mismatch**
The photo on the employee’s document does not match the photo supplied by E-Verify. The photo transmitted by E-Verify should be the same (identical) photo that appears on an employee’s U.S. Department of Homeland Security (DHS) issued document. If the employer determines that it does not match, a ‘DHS Tentative Nonconfirmation (TNC)’ case result is issued and the employee must be given the opportunity to contest.

**Point of Contact**
An individual assigned by the employer who can be contacted about E-Verify issues. This person does not have to be one of the two user types.

**Pre-screening**
The prohibited practice of creating a case in E-Verify before a job offer has been accepted and Form I-9 is complete.

**Program Administrator**
This user type creates user accounts at his or her site. This user can view reports, create cases, update account information and unlock user accounts.

**Q**

**R**

**Referral Date Confirmation**
A one-page document provided to an employee who has chosen to contest an SSA or DHS Tentative Nonconfirmation (TNC) when the case is referred in E-Verify. This document provides the employee with the date by which he or she must visit SSA or contact DHS.

**Request Name Review**
In some cases E-Verify returns a case result of ‘Employment Authorized,’ but the name shown as authorized does not match exactly the name entered into E-Verify from the employee’s Form I-9. This can happen because of name variations in records available to the U.S. Department of Homeland Security (DHS).

If the names do not match, the case must be sent to DHS for review. Taking this step ensures that the record associated with the ‘Employment Authorized’ case result belongs to the employee whose information was entered into E-Verify.

**Review and Update Employee Data**
In some instances, a case status of ‘Review and Update Employee Data’ may occur. This means that the Social Security Administration (SSA) found a discrepancy in the information it received in the E-Verify referral. This may occur because of
typographical errors and/or incorrect information on Form I-9. The Form I-9 will need to be reviewed with the employee, the information corrected as applicable and then the case may be resubmitted.

S

Social Security Administration (SSA)
The federal government agency that administers a national program of contributory social insurance. SSA and the U.S. Department of Homeland Security (DHS) jointly manage the E-Verify program.

Social Security Administration (SSA) Referral
After an employee is advised of an 'SSA Tentative Nonconfirmation (TNC)' and has signed the SSA TNC Further Action Notice, the employee is referred to SSA to resolve the TNC.

T

Tentative Nonconfirmation (TNC)
The employee information was compared to government records and could not be verified. This does not necessarily mean that the employee is not authorized to work, or that the information provided was incorrect. The employee must either visit the Social Security Administration (SSA) or contact the U.S. Department of Homeland Security (DHS) to resolve the discrepancy and continue employment.

U

U.S. Department of State (DOS)
The federal government department that is responsible for international relations. DOS issues U.S. Passports and Passport Cards. U.S. Passport and Passport Card records are available to the U.S. Department of Homeland Security (DHS) for confirmation of employment eligibility with E-Verify.

USCIS Number
A nine-digit number listed on the front of Permanent Resident Cards (Form I-551) issued after May 10, 2010 that is the same as the Alien number (A-number). The A-number can also be found on the back of these Permanent Resident Cards.

User ID
The user ID is an assigned ID with letters and numbers that identifies the user of a computer system or network. All users who create cases in E-Verify must have their own user IDs. The user ID must be 8 characters and may be letters, numbers or a combination of both. A user ID is not case sensitive.

V

Verification location
A verification location is where the employer’s users take the information from an employee’s Form I-9 and create a case in E-Verify.
