**NOTICE OF TERMINATION**  
**Termination of Regional Center Designation Under the Immigrant Investor Program**  
**Encore Washington DC Regional Center**

The regulation at 8 C.F.R. § 204.6(m)(6) (*Continued participation requirements for regional centers*) provides:

(i) Regional centers approved for participation in the program must:

(A) Continue to meet the requirements of section 610(a) of the Appropriations Act.

(B) Provide USCIS with updated information annually, and/or as otherwise requested by USCIS, to demonstrate that the regional center is continuing to promote economic growth, including increased export sales, improved regional productivity, job creation, and increased domestic capital investment in the approved geographic area, using a form designated for this purpose; and

(C) Pay the fee provided by 8 CFR 103.7(b)(1)(i)(XX).

(ii) USCIS will issue a notice of intent to terminate the designation of a regional center in the program if:

(A) A regional center fails to submit the information required in paragraph (m)(6)(i)(B) of this section, or pay the associated fee; or

(B) USCIS determines that the regional center no longer serves the purpose of promoting economic growth, including increased export sales, improved regional productivity, job creation, and increased domestic capital investment.

(iii) A notice of intent to terminate the designation of a regional center will be sent to the regional center and set forth the reasons for termination.

(iv) The regional center will be provided 30 days from receipt of the notice of intent to terminate to rebut the ground or grounds stated in the notice of intent to terminate.

(v) USCIS will notify the regional center of the final decision. If USCIS determines that the regional center's participation in the program should be terminated, USCIS will state the reasons for termination. The regional center may appeal the final termination decision in accordance with 8 CFR 103.3.

(vi) A regional center may elect to withdraw from the program and request a termination of the regional center designation. The regional center must notify USCIS of such

election in the form of a letter or as otherwise requested by USCIS. USCIS will notify the regional center of its decision regarding the withdrawal request in writing.

### **I. Procedural History**

On July 15, 2013, USCIS designated and authorized the Regional Center's participation in the Program. On March 19, 2018 USCIS issued a Notice of Intent to Terminate ("NOIT") to the Regional Center which afforded the Regional Center 30 days from receipt of the NOIT to offer evidence in opposition to the grounds alleged in the NOIT. On April 18, 2018 USCIS received a response to the NOIT (the "NOIT Response"), which did not sufficiently address the grounds alleged in the NOIT. Accordingly, USCIS has determined that the Regional Center's participation in the Program should be terminated. Pursuant to 8 C.F.R. § 204.6(m)(6)(v) and through this Notice of Termination, USCIS hereby terminates the Regional Center's participation in the Program.

### **II. Reasons for Termination**

USCIS has determined that the Regional Center no longer serves the purpose of promoting economic growth, including increased export sales, improved regional productivity, job creation, or increased domestic capital investment as required by 8 C.F.R. § 204.6(m)(6).

#### **A. Failure to Continue to Serve the Purpose of Promoting Economic Growth**

Regional centers are designated for the promotion of economic growth and must continue to meet the requirements of section 610(a) of the Appropriations Act as amended, and promote economic growth in a manner that does not conflict with requirements for classification under section 203(b)(5) of the Immigration and Nationality Act ("INA"), removal of conditions on lawful permanent residence under section 216A of the INA, and implementing regulations following their designation. According to section 610(a) of the Appropriations Act, economic growth includes increased export sales, improved regional productivity, job creation, or increased domestic capital investment. *See also* 8 C.F.R. § 204.6(m)(6)(ii) ("USCIS will issue a notice of intent to terminate the designation of a regional center in the program if. . . USCIS determines that the regional center no longer serves the purpose of promoting economic growth, including increased export sales, improved regional productivity, job creation, and increased domestic capital investment.").

The reasons why a regional center may no longer serve the purpose of promoting economic growth are varied and "extend beyond inactivity on the part of a regional center." 75 FR 58962. For example, depending on the facts, a regional center that takes actions that undermine investors' ability to comply with EB-5 statutory and regulatory requirements such that investors cannot obtain EB-5 classification through investment in the regional center may no longer serve the purpose of promoting economic growth. *See* Section 610(a)-(b) of the Appropriations Act (stating that one purpose of a regional center is to concentrate pooled investment in defined economic zones and accomplishing such pooled investment by setting aside visas for aliens classified under INA 203(b)(5)). Likewise, a regional center that fails to

engage in proper monitoring and oversight of the capital investment activities and jobs created or maintained under the sponsorship of the regional center may no longer serve the purpose of promoting economic growth in compliance with the Program and its authorities.

When derogatory information arises (such as evidence of inaction, mismanagement, theft, or fraud by the regional center or related entities), USCIS weighs all relevant factors in the totality of the circumstances to determine whether the regional center is continuing to serve the purpose of promoting economic growth. Such factors may include the seriousness of the derogatory information, the degree of regional center involvement in the activities described in the derogatory information, any resulting damage or risk imposed on investors and the economy, as well as any mitigating, corrective, or restorative actions taken or forthcoming to redress the situation.

USCIS has considered all evidence in the record including evidence provided in response to the NOIT “for relevance, probative value, and credibility, both individually and within the context of the totality of the evidence,” in determining whether the Regional Center’s continued participation is justified under the regulations by a preponderance of the evidence. *See Matter of Chawathe*, 25 I&N Dec. 369, 376 (AAO 2010). For the reasons set forth below, USCIS has determined by a preponderance of the evidence that the Regional Center no longer serves the purpose of promoting economic growth in compliance with the Program.

#### ***1. Lack of Regional Center Activity***

As noted in the NOIT, the Regional Center’s Form I-924A filings for fiscal years 2013, 2014, 2015, 2016 and 2017 do not report any EB-5 capital investment or job creation. In addition, although USCIS designated the Regional Center on July 15, 2013, the Form I-924A filings do not report any pending or approved Forms I-526 filed by petitioners who have made or are actively in the process of making investments associated with the Regional Center.

On April 18, 2018 the Regional Center submitted a response to the NOIT dated March 19, 2018. That response contained the following evidence:

- Statement of Mark Catam;
- Agreement of Purchase and Sale, City of Woodbridge;
- Amendments to Purchase of Sale;
- Letter of Intent—Jessup Project;
- Letter of Intent—Perry Hall Project;
- Letter of Intent—Westin Reston Hotel;
- Form I-924 approval notice—Encore Texas; and
- Form I-924 approval notice—Encore Mississippi

In the statement from Mark Catam, submitted as part of the NOIT response, Mr. Catam indicated the Regional Center “has been actively seeking and identifying EB-5 qualified projects in the market area covered by Encore Washington DC’s geographic boundaries.” The statement notes that “Encore Washington DC, through one of its affiliate companies, Encore Commercial, LLC is currently developing

a retail project...in Woodbridge, VA.” The statement also cites retail projects in Jessup, MD, Perry Hall, MD and Reston, VA through Encore Commercial, LLC. Mr. Catam also states that “Encore Washington DC is also indirectly promoting its economic purpose through the activities of its affiliated Encore regional centers.” In support of this, the Regional Center provided an Agreement of Purchase and Sale, several Letters of Intent, and exemplar project approval letters for other Encore Regional Centers.

The statement of Mr. Catam and the evidence submitted relate only to potential projects and future aspiration goals of the Regional Center. Moreover, the projects cited by Mr. Catam are all through Encore Commercial, LLC. According to its website, Encore Commercial, LLC “focuses on the acquisition, ownership, redevelopment and asset management of retail shopping centers, single tenant retailers, and class “A” commercial office buildings across the United States.”<sup>1</sup> Encore Commercial, LLC is not an “affiliate company” of Encore Washington DC Regional Center but rather has projects in Colorado, Mississippi, New Hampshire, Ohio, and Texas.<sup>2</sup> Thus, the projects cited by Mr. Catam are not relevant examples of the Regional Center’s ability to continue to promote economic growth.

The regulations require each regional center to continue to meet the requirements of section 610(a) of the Appropriations Act. See, 8 C.F.R. § 204.6(m)(6)(i)(A). In other words, each individual regional center must demonstrate that it continues to promote economic growth. Here, however, the Regional Center has not submitted evidence to demonstrate that it has directly sponsored or developed EB-5 projects. Here, the economic activity of other entities does not demonstrate Encore Washington DC’s ability to continue to promote economic growth. Encore Washington DC must demonstrate that it continues to promote economic growth within its own geographic area. The evidenced provided by the Regional Center of approved projects in Mississippi and Texas are not relevant examples of Encore Washington DC Regional Center’s ability to continue to promote economic growth in Maryland, Virginia, and the District of Columbia.

As of the date of this notice, USCIS records indicate that the Regional Center has not provided evidence to support (and the Regional Center’s filings do not otherwise indicate) that it has conducted activity that serves the purposes of the Program, including the “purpose of concentrating pooled investment” as required by section 610(a) of the Appropriations Act<sup>3</sup>. The Regional Center has not provided any evidence of economic activity. And as of the date of the Notice, USCIS has no record of any other projects under sponsorship or development by the Regional Center.

In conclusion, the Regional Center has not provided sufficient evidence to show that it has, since its designation as a regional center in the EB-5 program, promoted economic growth by means of increased export sales, improved regional productivity, job creation, or increased domestic capital investment. Further, it has not provided sufficient evidence to show that such economic growth is imminent or will occur within a reasonable time.

<sup>1</sup> See,

<sup>2</sup> See,

<sup>3</sup> USCIS Policy Manual, Volume 6, Part 6, Chapter 3.

In the absence of evidence of increased export sales, improved regional productivity, job creation, or increased domestic capital investment, USCIS concludes that the Regional Center no longer serves the purpose of promoting economic growth.

### **III. Conclusion**

For the reasons described above and set forth in the NOIT and pursuant to 8 C.F.R. 204.6(m)(6), USCIS has determined that the Regional Center no longer serves the purpose of promoting economic growth and hereby terminates the Regional Center's participation in the Program.
