**NOTICE OF TERMINATION**  
**Termination of Regional Center Designation Under the Immigrant Investor Program**  
**Greater Houston Investment Center LLC**

The regulation at 8 C.F.R. § 204.6(m)(6) (*Continued participation requirements for regional centers*) provides:

(i) Regional centers approved for participation in the program must:

(A) Continue to meet the requirements of section 610(a) of the Appropriations Act.

(B) Provide USCIS with updated information annually, and/or as otherwise requested by USCIS, to demonstrate that the regional center is continuing to promote economic growth, including increased export sales, improved regional productivity, job creation, and increased domestic capital investment in the approved geographic area, using a form designated for this purpose; and

(C) Pay the fee provided by 8 C.F.R. 103.7(b)(1)(i)(XX).

(ii) USCIS will issue a notice of intent to terminate the designation of a regional center in the program if:

(A) A regional center fails to submit the information required in paragraph (m)(6)(i)(B) of this section, or pay the associated fee; or

(B) USCIS determines that the regional center no longer serves the purpose of promoting economic growth, including increased export sales, improved regional productivity, job creation, and increased domestic capital investment.

(iii) A notice of intent to terminate the designation of a regional center will be sent to the regional center and set forth the reasons for termination.

(iv) The regional center will be provided 30 days from receipt of the notice of intent to terminate to rebut the ground or grounds stated in the notice of intent to terminate.

(v) USCIS will notify the regional center of the final decision. If USCIS determines that the regional center's participation in the program should be terminated, USCIS will state the reasons for termination. The regional center may appeal the final termination decision in accordance with 8 C.F.R. 103.3.

(vi) A regional center may elect to withdraw from the program and request a termination of the regional center designation. The regional center must notify USCIS of such

election in the form of a letter or as otherwise requested by USCIS. USCIS will notify the regional center of its decision regarding the withdrawal request in writing.

### **I. Procedural History**

On October 10, 2013, USCIS designated and authorized the Regional Center’s participation in the Program. On May 19, 2017, USCIS issued a Notice of Intent to Terminate (“NOIT”) to the Regional Center which afforded the Regional Center 30 days from receipt of the NOIT to offer evidence in opposition to the grounds alleged in the NOIT. On June 12, 2017, USCIS received a response to the NOIT (the “NOIT Response”), which did not sufficiently address the grounds alleged in the NOIT<sup>1</sup>. Accordingly, USCIS has determined that the Regional Center’s participation in the Program should be terminated. Pursuant to 8 C.F.R. § 204.6(m)(6)(v) and through this Notice of Termination, USCIS hereby terminates the Regional Center’s participation in the Program.

### **II.**

### **III. Reasons for Termination**

USCIS has determined that the Regional Center no longer serves the purpose of promoting economic growth, including increased export sales, improved regional productivity, job creation, or increased domestic capital investment as required by 8 C.F.R. § 204.6(m)(6).

#### **A. Failure to Continue to Serve the Purpose of Promoting Economic Growth**

Regional centers are designated for the promotion of economic growth and must continue to meet the requirements of section 610(a) of the Appropriations Act as amended, and promote economic growth in a manner that does not conflict with requirements for classification under section 203(b)(5) of the Immigration and Nationality Act (“INA”), removal of conditions on lawful permanent residence under section 216A of the INA, and implementing regulations following their designation. According to section 610(a) of the Appropriations Act, economic growth includes increased export sales, improved regional productivity, job creation, or increased domestic capital investment. *See also* 8 C.F.R. § 204.6(m)(6)(ii) (“USCIS will issue a notice of intent to terminate the designation of a regional center in the program if. . . USCIS determines that the regional center no longer serves the purpose of promoting economic growth,

---

<sup>1</sup> Since the Regional Center submitted the NOIT Response, USCIS records show that—as of the date of this Notice—the Regional Center has failed to submit the required annual Form I-924A, Annual Certification of Regional Center, as required under 8 C.F.R. § 204.6(m)(6)(i)(B), for fiscal year 2017. The filing period for the Form I-924A for fiscal year 2017 was between October 1, 2017 and December 29, 2017. While this issue was not included in the NOIT, USCIS notes that the failure to file the required, annual Form I-924A is a grounds for terminating the Regional Center under 8 C.F.R. § 204.6(m)(6)(ii)(A).

including increased export sales, improved regional productivity, job creation, and increased domestic capital investment.”).

The reasons why a regional center may no longer serve the purpose of promoting economic growth are varied and “extend beyond inactivity on the part of a regional center.” 75 FR 58962. For example, depending on the facts, a regional center that takes actions that undermine investors’ ability to comply with EB-5 statutory and regulatory requirements such that investors cannot obtain EB-5 classification through investment in the regional center may no longer serve the purpose of promoting economic growth. *See* Section 610(a)-(b) of the Appropriations Act (stating that one purpose of a regional center is to concentrate pooled investment in defined economic zones and accomplishing such pooled investment by setting aside visas for aliens classified under INA 203(b)(5)). Likewise, a regional center that fails to engage in proper monitoring and oversight of the capital investment activities and jobs created or maintained under the sponsorship of the regional center may no longer serve the purpose of promoting economic growth in compliance with the Program and its authorities.

When derogatory information arises (such as evidence of inaction, mismanagement, theft, or fraud by the regional center or related entities), USCIS weighs all relevant factors in the totality of the circumstances to determine whether the regional center is continuing to serve the purpose of promoting economic growth. Such factors may include the seriousness of the derogatory information, the degree of regional center involvement in the activities described in the derogatory information, any resulting damage or risk imposed on investors and the economy, as well as any mitigating, corrective, or restorative actions taken or forthcoming to redress the situation.

USCIS has considered all evidence in the record including evidence provided in response to the NOIT “for relevance, probative value, and credibility, both individually and within the context of the totality of the evidence,” in determining whether the Regional Center’s continued participation is justified under the regulations by a preponderance of the evidence. *See Matter of Chawathe*, 25 I&N Dec. 369, 376 (AAO 2010). For the reasons set forth below, USCIS has determined by a preponderance of the evidence that the Regional Center no longer serves the purpose of promoting economic growth in compliance with the Program.

***1. Lack of Regional Center Activity***

As noted in the NOIT, the Regional Center’s Form I-924A filings for fiscal years 2014, 2015, and 2016 do not report any EB-5 capital investment or job creation. In addition, although USCIS designated the Regional Center on October 10, 2013, the Form I-924A filings do not report any pending or approved Forms I-526 filed by petitioners who have made or are actively in the process of making investments associated with the Regional Center.

In the NOIT Response, the Regional Center provided the following evidence:

- Letter from Dr. Joseph J. Penbera, dated June 2, 2017.

In his letter, Dr. Penbera described the various challenges the Regional Center had faced, stemming from its founders' association with Venezuela and the difficult economic situation in that country. He further explained that considerable investments were made by the founders in establishing the Regional Center and acquiring a project titled "the Woodland Gate project," and that the Regional Center had engaged with a "migrant broker" in Asia. The Regional Center did not submit any other evidence to support Dr. Penbera's statements.

Dr. Penbera also requested that the Regional Center be allowed to withdraw from the Immigrant Investor Program under 8 C.F.R. § 204.6(m)(6)(iv), but added that he wished "that the USCIS not terminate the regional center designation, but, instead, allow it to be reactivated at a future time within the next twenty four months." He argued that this grace period would allow the Regional Center to recoup some of its investments, but again, the Regional Center provided no evidence to support this claim.

Since Dr. Penbera's request to withdraw under 8 C.F.R. § 204.6(m)(6)(iv) was not entirely clear, USCIS cannot accept the withdrawal request. Instead, USCIS has made a determination on the merits of the Regional Center's case that the Regional Center has not provided sufficient evidence of the promotion of economic growth under the EB-5 Program.

The Regional Center has not provided any evidence showing that it has received any EB-5 capital investment, that any Form I-526 petitions have been filed in relation to any NCE sponsored by the Regional Center, or that any of the Regional Center's activities have led to increased export sales, improved regional productivity, job creation, or increased domestic capital investment. In the absence of such evidence, USCIS concludes that the Regional Center no longer serves the purpose of promoting economic growth.

#### **IV. Conclusion**

For the reasons described above and set forth in the NOIT and pursuant to 8 C.F.R. 204.6(m)(6), USCIS has determined that the Regional Center no longer serves the purpose of promoting economic growth and hereby terminates the Regional Center's participation in the Program.

If the Regional Center disagrees with this decision, or if the Regional Center has additional evidence that shows this decision is incorrect, the Regional Center may file a motion or an appeal to this decision by filing a completed Form I-290B, Notice of Appeal or Motion, along with the appropriate filing fee. A copy is enclosed. The Regional Center may also include a brief or other written statement and additional evidence in support of the motion or appeal. The Form I-290B must be filed within 33 days from the date of this notice. If a motion or appeal is not filed within 33 days, this decision is final.

The Regional Center must send the completed Form I-290B and supporting documentation with the appropriate filing fee to the address indicated below.
