

HOW *to* ATTEST *to the* DEAL PACKAGE

1 Receive e-mail invitation from your Regional Center Document Library Manager

 Follow the steps to setup or log in to your USCIS ELIS account.

 Select the link to access your deal package

The investors have to agree to abide by the document library Investor's Rules of Behavior and check the box indicating that they agree to the terms.

2 Access your deal package

 Enter your deal package passcode

To access a new deal package, enter the deal package passcode you received from your Document Library Manager and click **Submit**.

Once your specific deal package passcode is validated, the deal package name and ID number will appear in the "**View My Packages**" section.

3 Review and certify the documents in your deal package

 Review each document in the deal package. Read the attestation and select the "I agree" check box if you agree to the certification statement. Select "Print Attestation".

 Print and sign the attestation

As the petitioner, your signature must be present on the deal package attestation; not the signature of your attorney or accredited representative.

 Submit your signed deal attestation package to USCIS

Scan and upload your signed attestation in USCIS ELIS when you complete your online I-526. Make sure to select the "**deal package attestation**" category.

If you are filing a paper I-526 petition, include your signed attestation as supporting evidence and submit it together with your completed I-526.
