

**USCIS CITIZENSHIP PUBLIC EDUCATION AND AWARENESS INITIATIVE  
"WHO I AM" ENGLISH VIDEO PSA (:30)**

**SCRIPT**

When I first came to the U.S.,

I brought my hopes and dreams for a better life.

Since becoming a U.S. citizen,

I'm running for public office,

I've traveled with the freedom and security of a U.S. passport,

And I voted for President of the United States.

U.S. citizenship means a better life.

I chose opportunity.

I chose freedom.

I chose responsibility.

I chose to become...

A U.S. citizen.

I'm a proud American.
